Dear Parent

Every child needs to nourish their mental abilities and logical reasoning. At our school, we are committed towards developing the cognitive aspect of children. To ensure this effectively, the **International Silver Zone Olympiads (classes I-X)** have been scheduled during the school hours. The dates of examination will be informed in due course of time.

You are requested to enroll your ward and not miss the opportunity which comes your way once in a year. It is advised to encourage your ward to participate and enrol in at least one subject (if not more) to assess the competitive awareness and check their mettle on an international scale.

Guidelines:

- The subject wise participation fee is mentioned below.
- The Olympiad comprehensive book can be purchased at an extra cost per subject.
- The level one exam will be held in the month of November, 2026. The dates of examination will be informed in due course of time.
- Kindly submit the participation fee along with the consent form latest by **10.08.2026 (Monday)** to the respective class teachers.

It is purely an optional programme. However, we encourage students to participate.

Looking forward to your ward's enthusiastic participation to win exciting rewards.

Ms Meneka I. Singh
(Principal)
