

Promotion Policy for Grades IX and XI

- Appearing in all assessments is **COMPULSORY**.
- We'd like to reiterate that passing in all subjects is mandatory. Failing in two or more subjects in the Annual examination and also in two subject aggregate at the end of the term renders you ineligible for promotion to the next grade.
- Compartment exams can be written by only those who fail in just one subject in the Annual examination and also in just one subject aggregate at the end of the term.
- Students of grade XI have to pass separately in Theory and Practical examinations. Similarly grade IX students have to pass separately in their written and internal assessments. Passing in all subjects implies that you are prepared to handle the next grade, so work hard.
- Use of unfair means will be viewed strictly and will result in non-promotion to the next grade.
- Students are advised to write the exams with integrity.
