

GURU PURNIMA

Conducted by : Classes I-V

Date: 29 July 2026

"A true guru doesn't just teach—they awaken the dormant light within us."

To celebrate Guru Purnima, students of Classes I-V participated in a poster-making activity, expressing their gratitude and respect for their teachers through colourful and creative artwork.

The celebration also included an inspiring pep talk by the teachers, who shared the significance of Guru Purnima and highlighted the importance of respecting teachers and valuing their guidance in life. Under the theme "Guru: The Light of Knowledge," the students of Class III crafted beautiful handmade cards featuring heartfelt messages of gratitude for their teachers. Students of Class IV designed creative bookmarks adorned with drawings, quotes, and traditional shlokas to express their respect.

The students of Class V expressed their artistic ideas through posters focused on themes such as "Guru – The Builder of the Nation" and "Knowledge is the True Wealth."

The activities successfully helped young learners understand the significance of Guru Purnima while fostering creativity and deep respect for their educators.
