Dated:- 04 / 08 /2026

To

The Principal,
Shri Venkateshwar International School,
Sector 18, Dwarka, New Delhi-75

STRUCTURAL SAFETY CERTIFICATE

This is with reference to the application submitted by the Principal of Shri Venkateshwar International School, Sector 18, Dwarka, New Delhi-75 vide Ref. No. SVIS/MCD(M-III)/2026/05/26 dated 26.05.2026 (received in this office on 04.06.2026) requesting the issuance of a Building Safety Certificate for the purpose of extension of its CBSE affiliation.

Consequent upon the request an inspection of the existing school building premises was carried out by the concerned field staff in the presence of school representative.

It is certified that the existing building appears safe, stable and functionally sound to sustain the intensities of loads for which it has been designed & appears fit for occupancy. This assessment is based on visual observations and structural inspection of the exposed elements & the certifications, relevant records and design undertakings furnished by the school authority during the inspection.

Terms & Conditions of Validity:

- Fire Safety Compliance:** This structural certificate is explicitly subject to the school have complied with the building safety requirements in accordance with National Building Code rules. The school authorities must ensure a valid Fire Safety Certificate issued by the Chief Fire Officer, Delhi Fire Service (DFS) is maintained active and all fire-fighting equipment remains fully operational within the premises.
- Scope Limitation:** This certificate is confined strictly to structural stability aspects based on visual evaluation and does not regularize any unauthorized modifications change of land use or validate property ownership / title disputes, if any.
- Validity Period:** This certificate shall remain valid for a period of one (01) years from the date of issuance subject to regular maintenance of the structure. It will automatically become null and void if any unauthorized additions, alterations or structural interventions are executed without prior permission from the competent authority.
- Revocation Clause:** If any misrepresentation of structural facts, structural deterioration or severe distress is observed at a later stage, this department reserves the absolute right to revoke this stability certificate immediately without prior notification.
