MBS International School organized the **Hindi Lingua Franca Club Activity – Extempore Speech Competition (आशुभाषण प्रतियोगिता)** for **Class X** to encourage students to think spontaneously and express their ideas confidently in Hindi. Each participant picked a chit containing a topic and was given a brief moment to organize their thoughts before delivering an impromptu speech.

The students enthusiastically participated in the competition and impressed everyone with their confidence, clarity of expression, and presence of mind. The activity challenged them to articulate their opinions on unfamiliar topics without prior preparation, thereby enhancing their critical thinking, creativity, and communication skills. It was inspiring to witness the students speak with confidence, maintain fluency, and present their ideas in a well-structured and engaging manner. The competition provided an excellent platform for students to strengthen their public speaking abilities while fostering self-confidence and effective expression in Hindi.
