- ◆ strengthen research-based communication skills

"The art of debate lies not in winning arguments, but in understanding perspectives."

The Lingua Franca Club of MBS International School successfully organized an engaging and intellectually enriching **Debate – Global Issues Forum** for Class IX students on July 22nd, 2026. The activity aimed to provide a platform for students to explore pressing global concerns while honing their public speaking and reasoning abilities.

Students participated enthusiastically in structured debates on a variety of contemporary topics such as climate change responsibility, the impact of social media, the role of artificial intelligence in employment, globalization versus cultural identity, and the value of space exploration. The participants were divided into 'For' and 'Against' teams, encouraging a balanced exploration of each issue.

Each speaker presented well-researched arguments within the stipulated time, followed by rebuttal rounds that showcased quick thinking and effective counter-argument skills. The debates reflected not only strong content knowledge but also clarity of thought, confidence, and respect for diverse viewpoints.

The event witnessed active participation and healthy competition among students. Their ability to articulate ideas with conviction and engage in meaningful discourse highlighted their growing awareness of global challenges. Overall, the activity proved to be a great success, fostering intellectual curiosity and communication excellence.
