A Glimpse of the Event

Objectives: To enable the learners:

- to use their imagination, design skills, and artistic abilities
- Students work together while making which builds cooperation.
- Sensitize students with the feeling of patriotism

To celebrate the spirit of patriotism and creativity, an Inter-House Kite Making Competition was organised in the school in the run-up to Independence Day. The event witnessed enthusiastic participation from students of all four houses, who showcased their artistic talent and love for the nation through beautifully designed kites carrying inspiring patriotic messages.

The participants used vibrant colours, eco-friendly materials, and innovative designs to create kites featuring the Indian National Flag, national symbols, freedom fighters, and slogans such as "*Unity in Diversity*," "*Jai Hind*," "*Vande Mataram*," and "*Proud to be an Indian*." Each kite reflected the students' imagination, creativity, and respect for the country's rich heritage.

The competition was judged on the basis of creativity, originality, presentation, neatness, and the effectiveness of the patriotic message.

The event not only encouraged creativity and teamwork but also instilled a sense of patriotism and pride among the students. It served as a wonderful platform for them to express their love for the country while celebrating the values of freedom, unity, and harmony.

The programme concluded with the announcement of the winners, followed by words of appreciation from the judges and school authorities, who commended all participants for their enthusiasm and outstanding performances.
