CCD WORKSHOP

(GRADE – X)

SESSION: 2026 – 27

Name of Workshop: Experts Panel Discussion on AI advancement
Resource Person: Mr. Ankit Shukla and Mr. Vivek
Date: 14th July'2026
Duration: 10:15 a.m. – 11:15 a.m.
Venue: School Auditorium
Content:
An enriching expert panel discussion on AI advancements for the students of Grade X to introduce them to the rapidly evolving field of Artificial Intelligence (AI). The session was led by Dr. Ankit Shukla, Assistant Professor of Artificial Intelligence, who shared valuable insights into the growing influence of AI across diverse industries and its future career prospects.

He explained fundamental AI concepts through engaging real-world examples and highlighted the importance of developing analytical thinking, problem-solving abilities, creativity, and digital skills to thrive in this technology-driven era. Drawing from his experience in research projects related to defense technology, healthcare, and emotion recognition systems, he inspired students to explore the vast opportunities available in emerging technologies.
