Report: "Say No to Bullying" Awareness Programme

School: Shiksha Bharati Global School

Theme: Say No to Bullying

Overview

Shiksha Bharati Global School successfully organised a 'Say No to Bullying' awareness programme to promote kindness, empathy, respect and a safe learning environment. The programme educated students about identifying bullying, standing up against it responsibly, and supporting classmates with compassion.

Highlights

Interactive discussion on different forms of bullying (physical, verbal, social and cyberbullying).

Creative poster-making activity with powerful anti-bullying messages.

Awareness presentation and short video reinforcing respect and inclusion.

Students pledged to be kind, speak up against bullying and support one another.

Teachers encouraged open communication and teamwork to build a positive school culture.

Learning Outcomes

The event inspired students to value empathy, celebrate diversity, report bullying without fear, and contribute towards a safe, friendly and inclusive school environment.

Conclusion

The programme was a meaningful initiative that strengthened the school's commitment to creating a respectful and caring community where every child feels valued and safe.
