Registration for Aptitude testing and Career Guidance Counselling Grade IX

Dear Parents,

Greetings!

At Delhi Public School, Knowledge Park-V, we are committed to supporting our students in making informed academic and career choices. As part of this initiative, the school is introducing an **Aptitude Test and Career Guidance Counselling** for students of **Grade IX** in collaboration with an external agency specializing in career guidance and student development.

The assessment is designed to help students gain a better understanding of their:

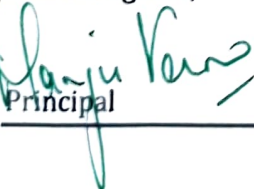

- Career interests
- Aptitudes
- Personality traits
- Individual strengths and potential

The insights from the assessment will assist students and parents in making well-informed decisions regarding future academic pathways and career planning. Each participating student will receive a comprehensive individual report, providing valuable information about their unique profile. An optional one-on-one counselling session for report interpretation will also be available.

Please note that this is a **paid aptitude test (₹650 + 18% GST per student)**, and participation is **voluntary**. The one-on-one counselling is also a paid service. Parents who wish to avail this opportunity for their ward may register through the school. Details regarding the payment, assessment schedule, and counselling session (if opted for) will be shared separately with interested parents.

We encourage you to consider this opportunity as a valuable step towards your child's self-awareness and informed career planning.

Warm Regards,

Principal

Consent Form

I, _____, parent/guardian of _____ (Grade ____, Section ____),
_____ (Adm. No.) wish to enroll my ward for the Aptitude Test and career guidance counselling.

I understand that the test is paid. I am aware that once this consent form is submitted, it will be mandatory to make the payment, and under no circumstances will the fee be exempted or refunded.
