Key Features of Jusklik

- Multi-threaded communication for organized, clutter-free conversations.
- Easy switching between siblings from a single parent account.
- AI-enabled features for quicker and more efficient interactions.
- Modern, mobile-first interface with regular feature enhancements.
- Self-service password reset using the registered mobile number.

Action Required

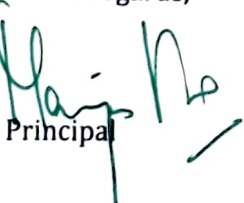

All parents are requested to install the **Jusklik App** and complete the transition before **13 July 2026**.

Please note that the Cloud9 App will be discontinued from **13 July 2026 onwards**.

If you face any difficulty while logging in or accessing the app, please contact the School IT Department at it@dpskp.com.

We appreciate your continued support and cooperation in making this transition smooth and successful.
