**A Glimpse of the Event**

**Objectives: To enable the learners:**

- to use their imagination, design skills, and artistic abilities
- Students work together while making which builds cooperation.
- Sensitize students with the feeling of patriotism

An Inter-House Poster-Making Competition was organised on the theme “Youth Power: The Architects of Tomorrow”. The competition aimed to provide students with a creative platform to express their ideas and highlight the significant role of youth in shaping a progressive and responsible society.

Students from different houses participated enthusiastically and showcased their creativity through vibrant colours, innovative designs, meaningful illustrations and thought-provoking messages. The posters reflected various aspects of youth empowerment, including education, innovation, leadership, environmental responsibility, social awareness, national development and the use of technology for a better future.

The participants demonstrated impressive artistic skills along with a clear understanding of the theme. Their posters conveyed the message that young people are not merely the leaders of tomorrow but active contributors to the development of society today. The activity encouraged students to think creatively, communicate their ideas effectively and recognise their responsibilities towards the nation and the world.

The entries were evaluated on the basis of creativity, originality, relevance to the theme, presentation and clarity of message. The competition concluded on a positive note, with students feeling motivated and inspired to contribute meaningfully to society.

The event was a great success and provided an enriching experience for the students. It reinforced the idea that empowered, creative and responsible youth can become the architects of a brighter and more sustainable tomorrow.
