

EXCURSION REPORT

Venue: Eco Adventure Camp

Date: 6 December 2025

Grade: III and IV

Timings: 7:50 AM to 4:30 PM

The students of Grade III and IV went on an exciting excursion to the Eco Adventure Camp on 6 December 2025. The main aim of the trip was to give students a fun-filled outdoor experience while helping them learn teamwork, confidence, and appreciation for nature.

On reaching the camp, the students received a warm welcome along with a welcome snack. The instructors explained the safety rules and then the students were divided into various teams with thrilling names like Team Tiger, Team Horse, from where the students were guided through various adventure activities such as the zip line, wood bridges, balance beam, commando net, and tunnel crawl.

The camp was well managed, and teachers and instructors supervised every activity carefully. After the morning session, the children enjoyed a healthy breakfast followed by a refreshing drink and then they resumed back to the fun. Later, a delicious lunch was served, which the students thoroughly enjoyed. Post lunch, students had fun in the dance floor, where they danced to lively music. In the evening, everyone was provided with end-of-day juice, which refreshed them for the journey back.

The excursion was a perfect blend of adventure, learning, and enjoyment and created lasting memories and provided the young learners with a wonderful break from their regular routine.
