JULY 2026

EDUCATION IS NOT MERELY ABOUT ACQUIRING KNOWLEDGE; IT IS ABOUT NURTURING CURIOSITY, CHARACTER, CONFIDENCE, AND COMPASSION. AT SCHOLARS GLOBAL SCHOOL, WE STRIVE TO CREATE LEARNING EXPERIENCES THAT INSPIRE OUR STUDENTS TO THINK INDEPENDENTLY, EXPLORE FEARLESSLY, AND GROW INTO RESPONSIBLE CITIZENS.

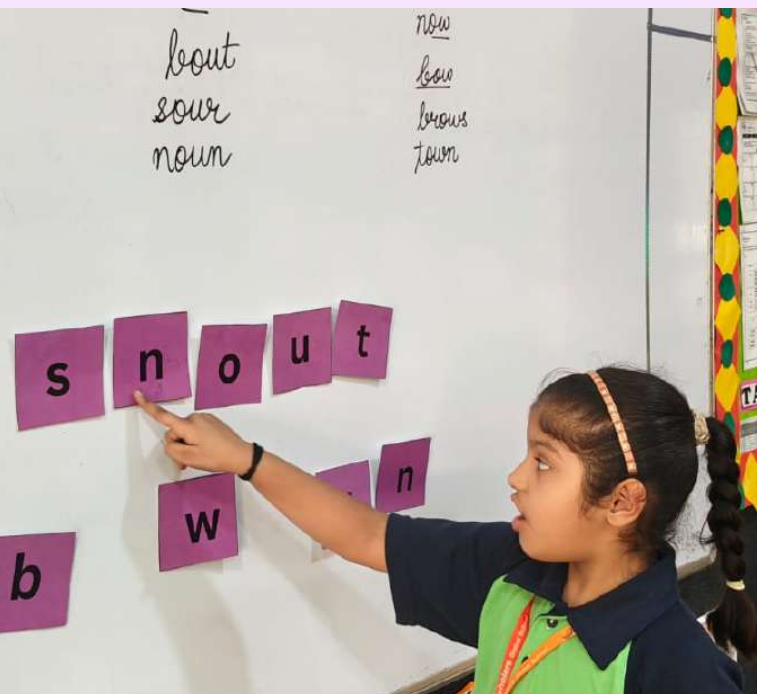

MAY EVERY NEW EXPERIENCE OPEN A DOOR TO DISCOVERY AND EVERY CHALLENGE BECOME AN OPPORTUNITY TO GROW.

*TOGETHER, LET US CONTINUE TO INSPIRE, EMPOWER,
AND CELEBRATE EVERY LEARNER.*

Dr. Poonam Saxena

EDUCATION AT
SCHOLARS GLOBAL SCHOOL
EMPOWERS LEARNERS TO TAKE
SMALL STEPS TOWARDS BIG
DREAMS !

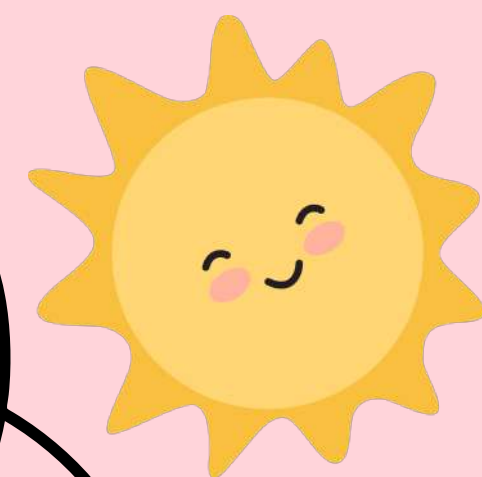

Phonics

ENGLISH

Activity Based Learning

Nouns

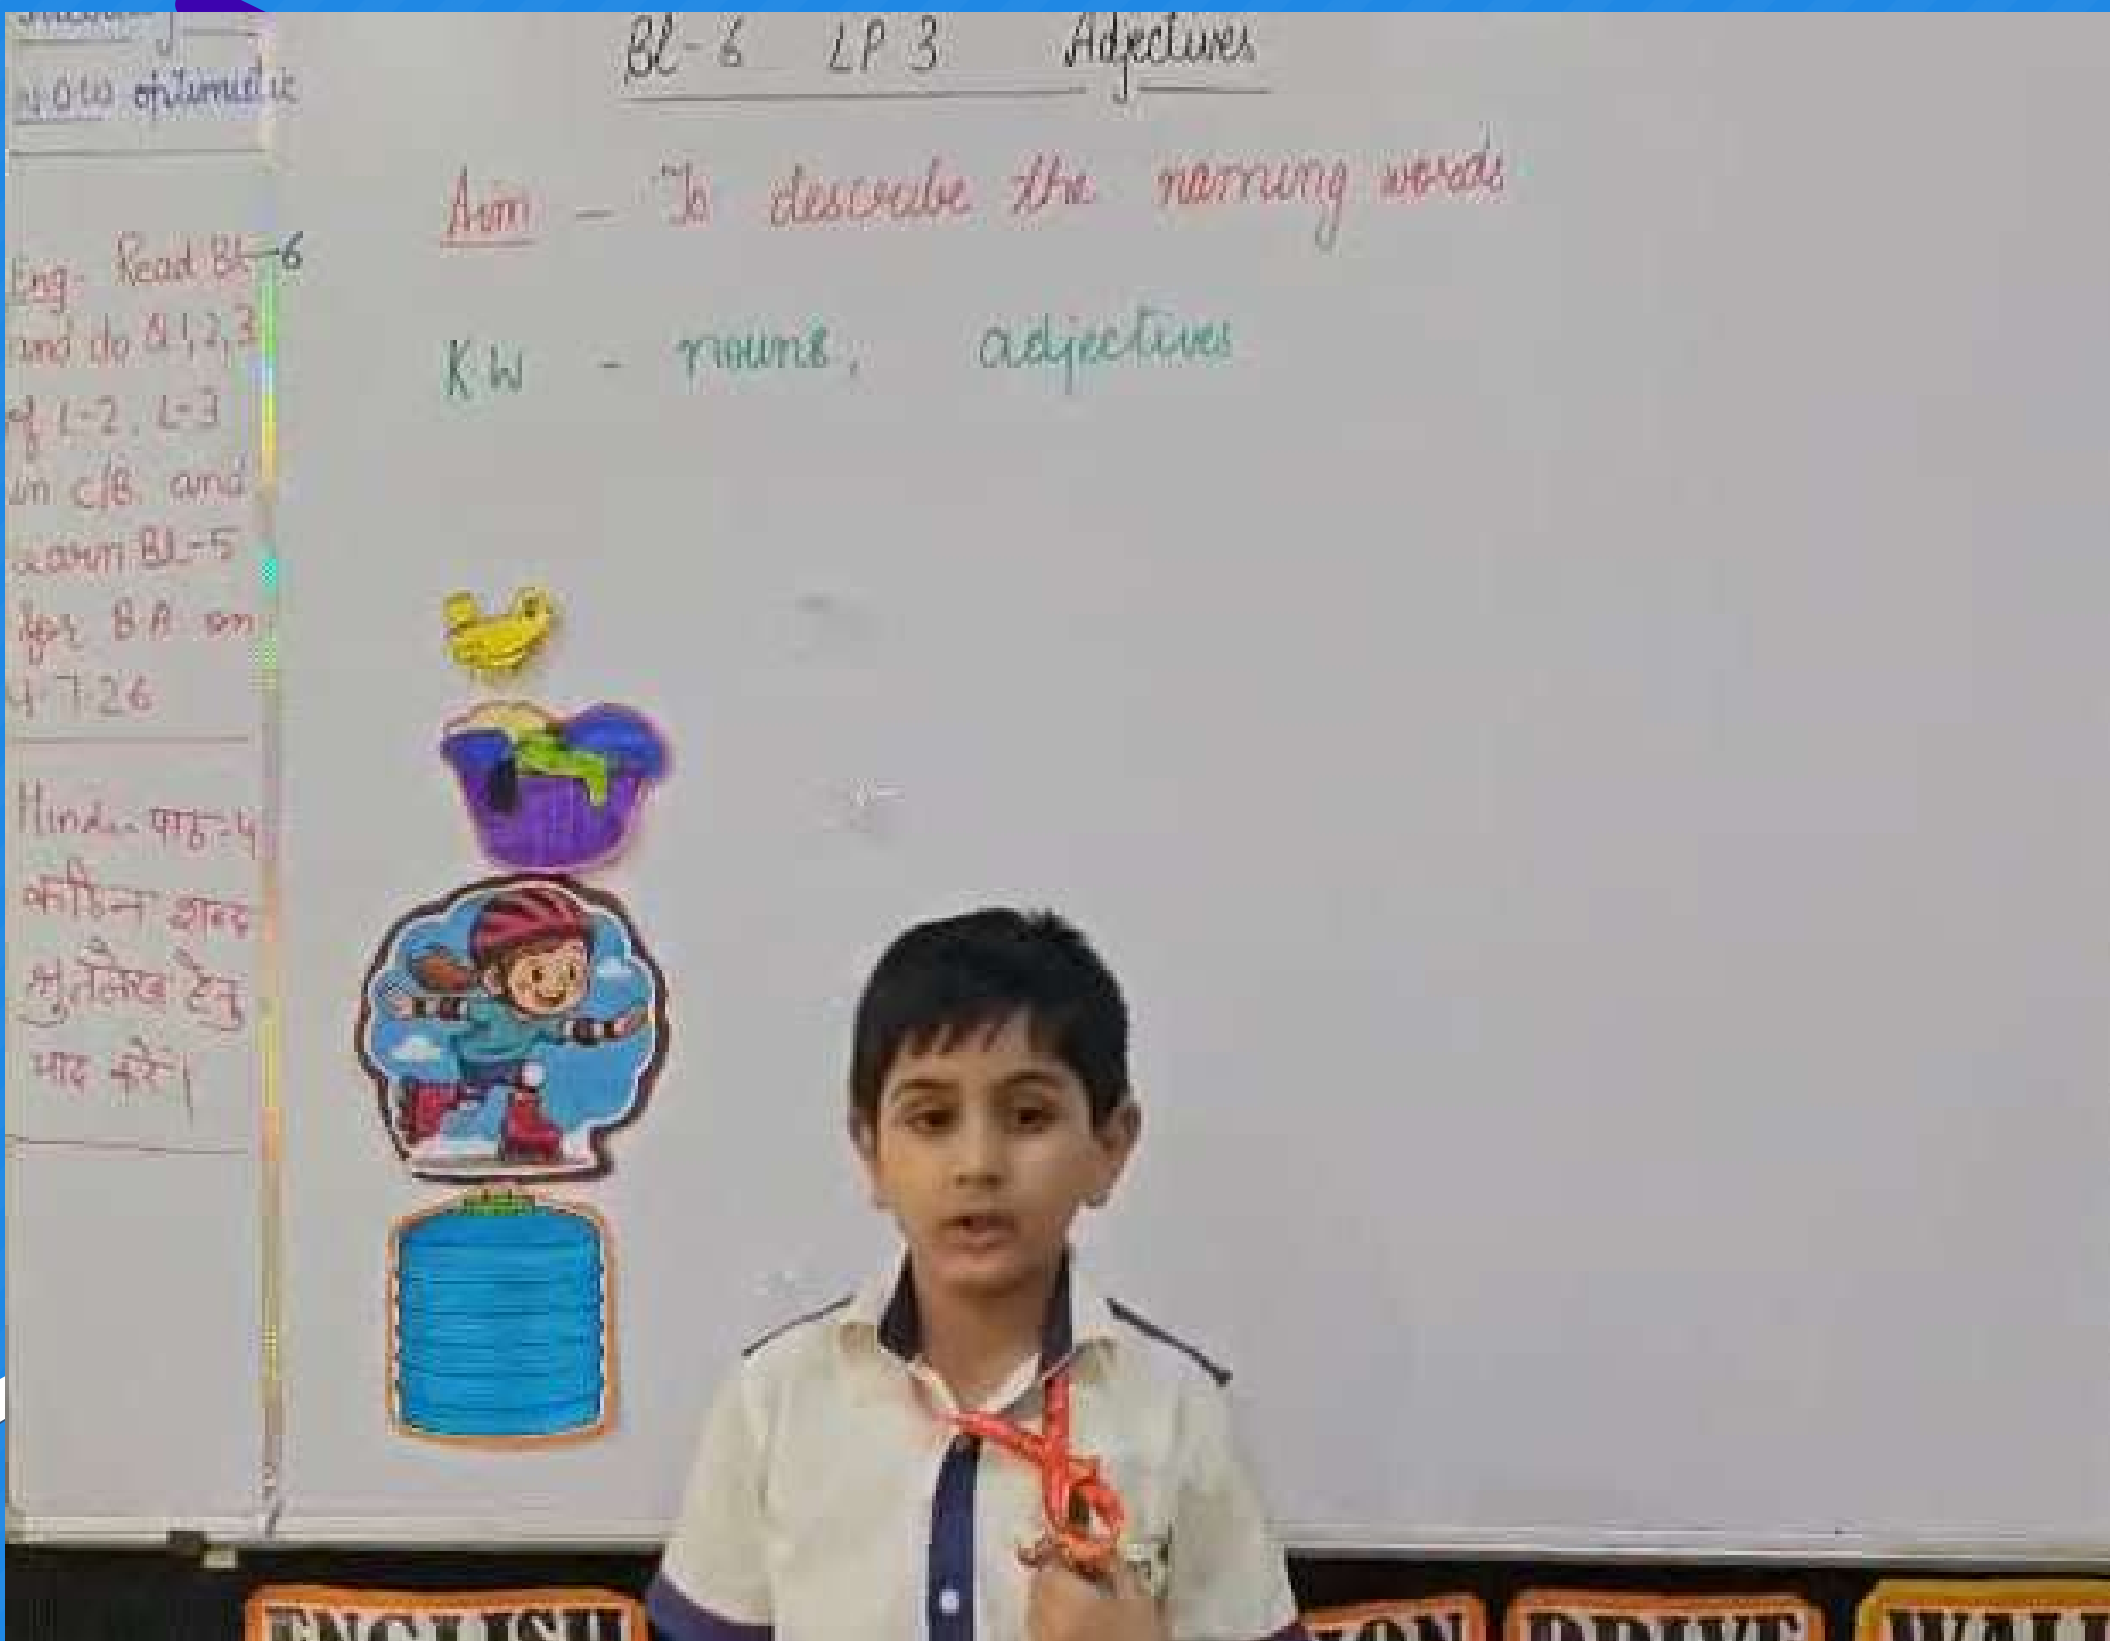

Adjectives

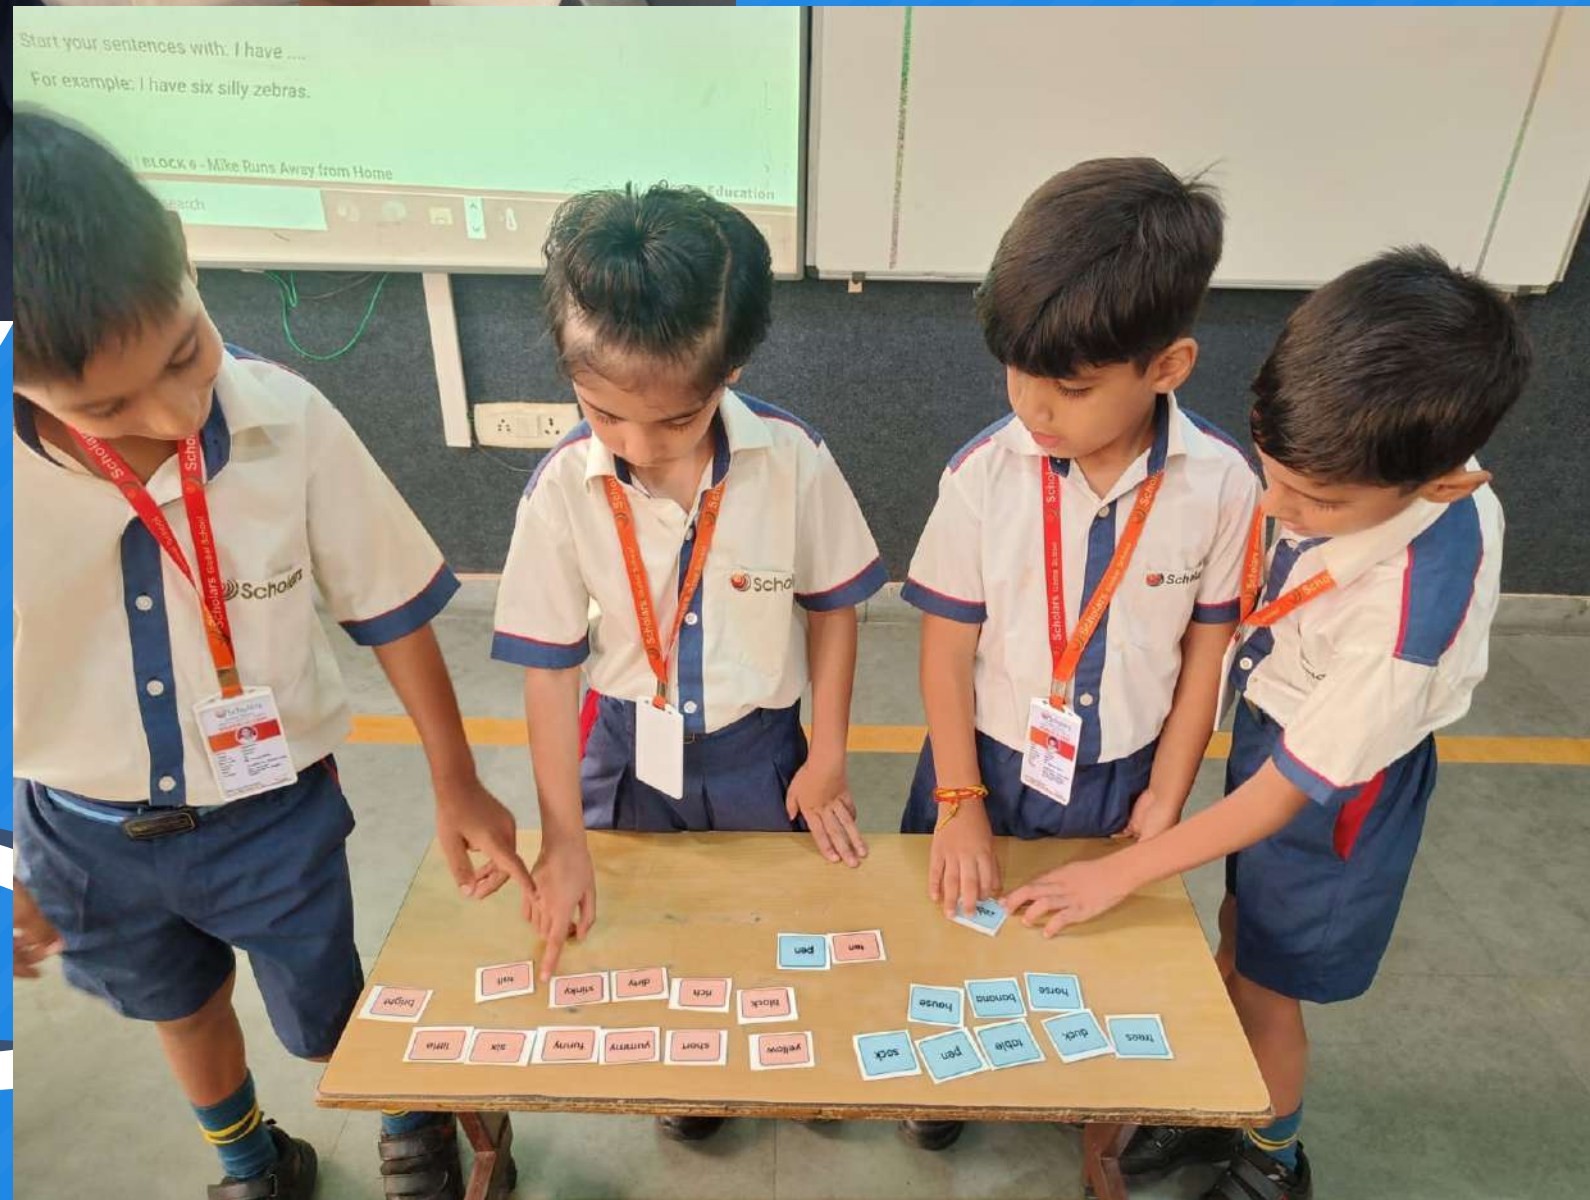

Grade II students confidently introduced the lesson by explaining the aim of learning adjectives. They demonstrated how describing words make nouns more meaningful and sentences more expressive.

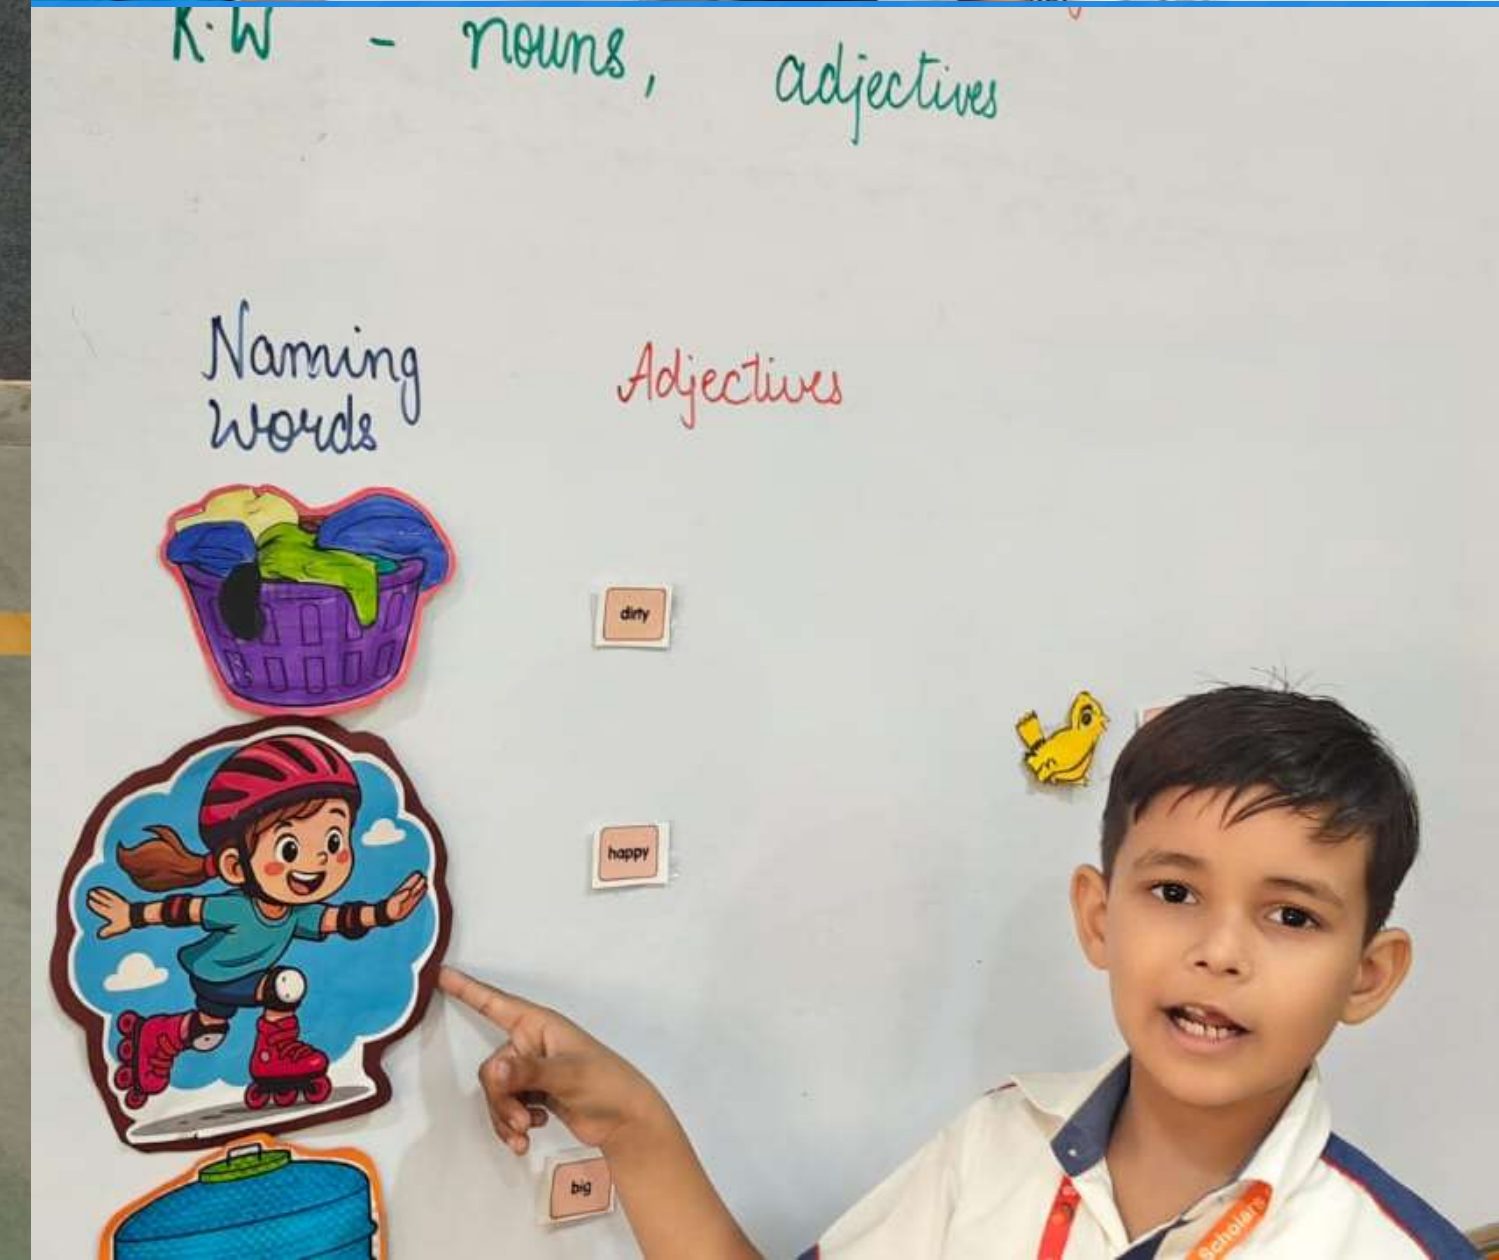

GRADE II

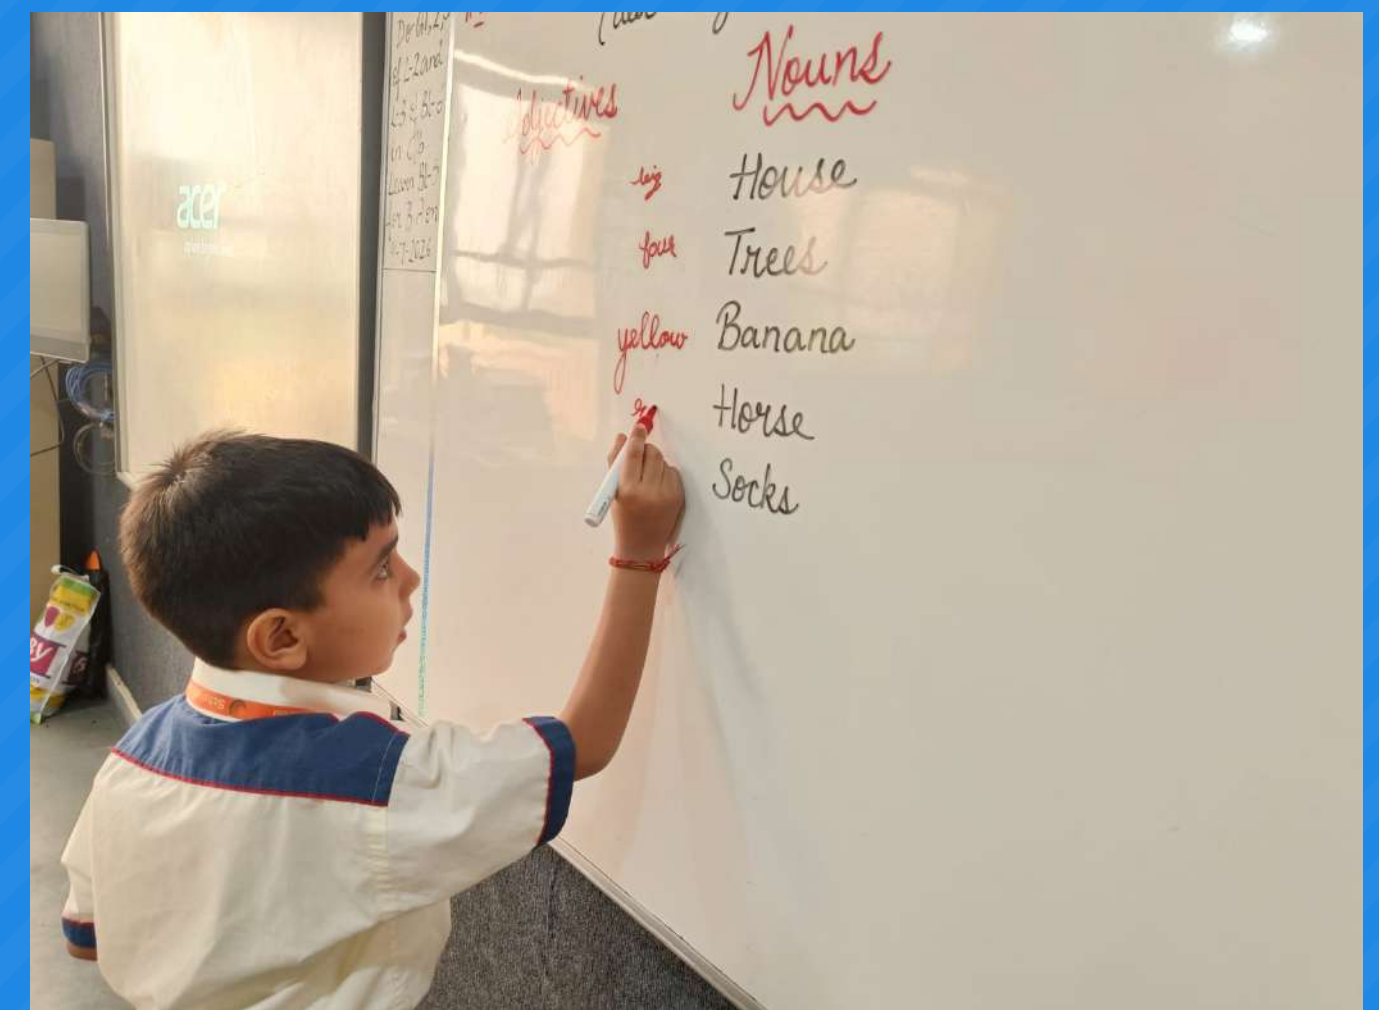

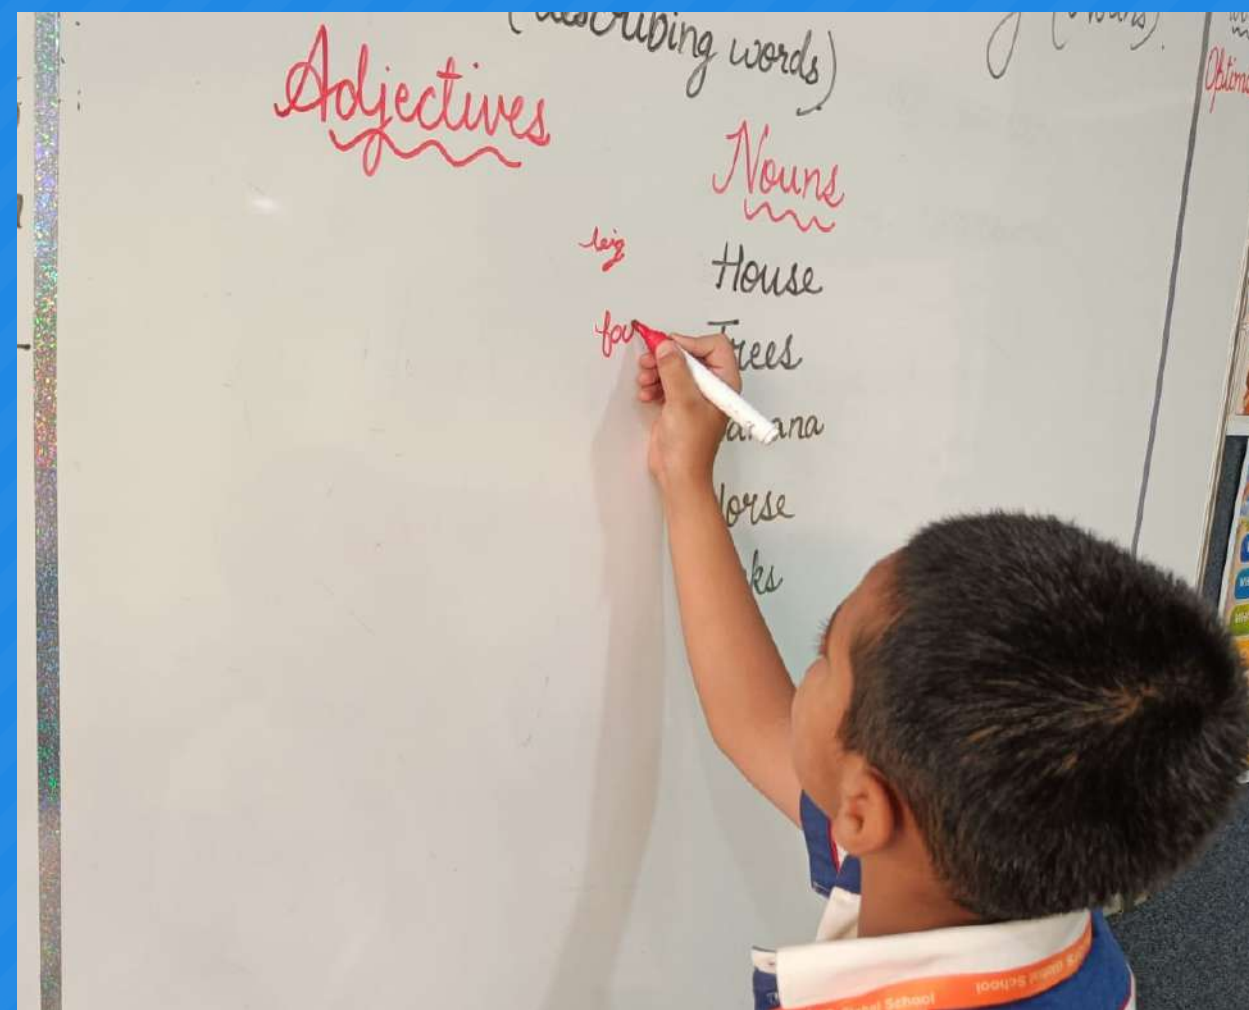

**Grade II Students
enthusiastically learn
Adjectives . The hands-
on task strengthened
their vocabulary
understanding of
adjectives in a fun and
engaging way.**

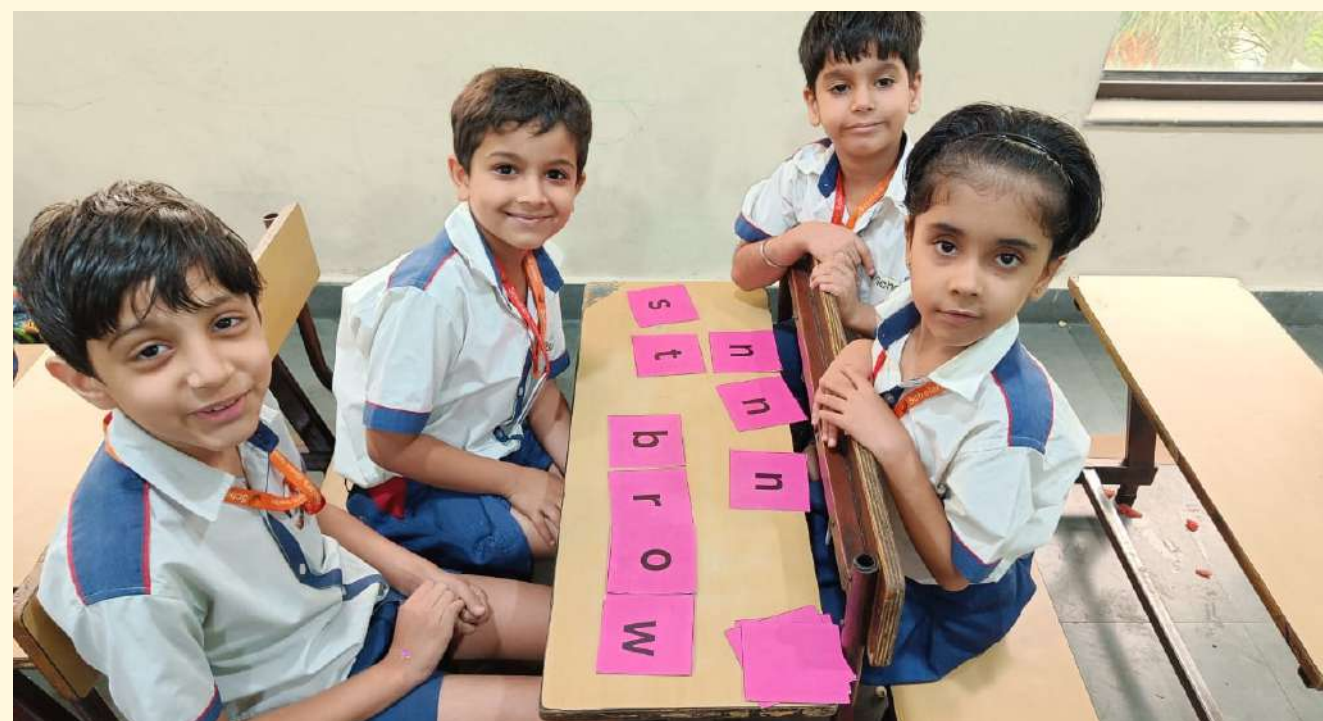

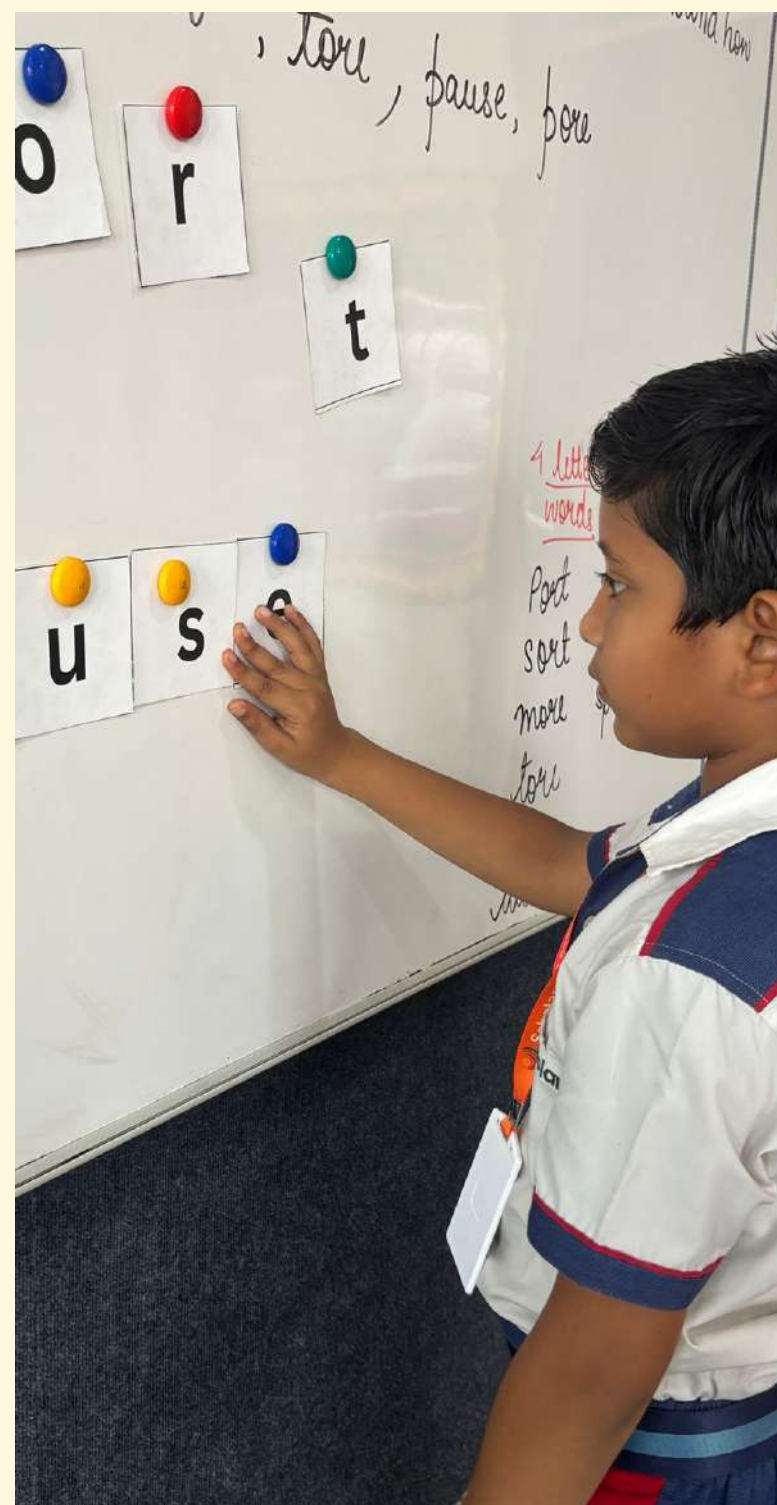

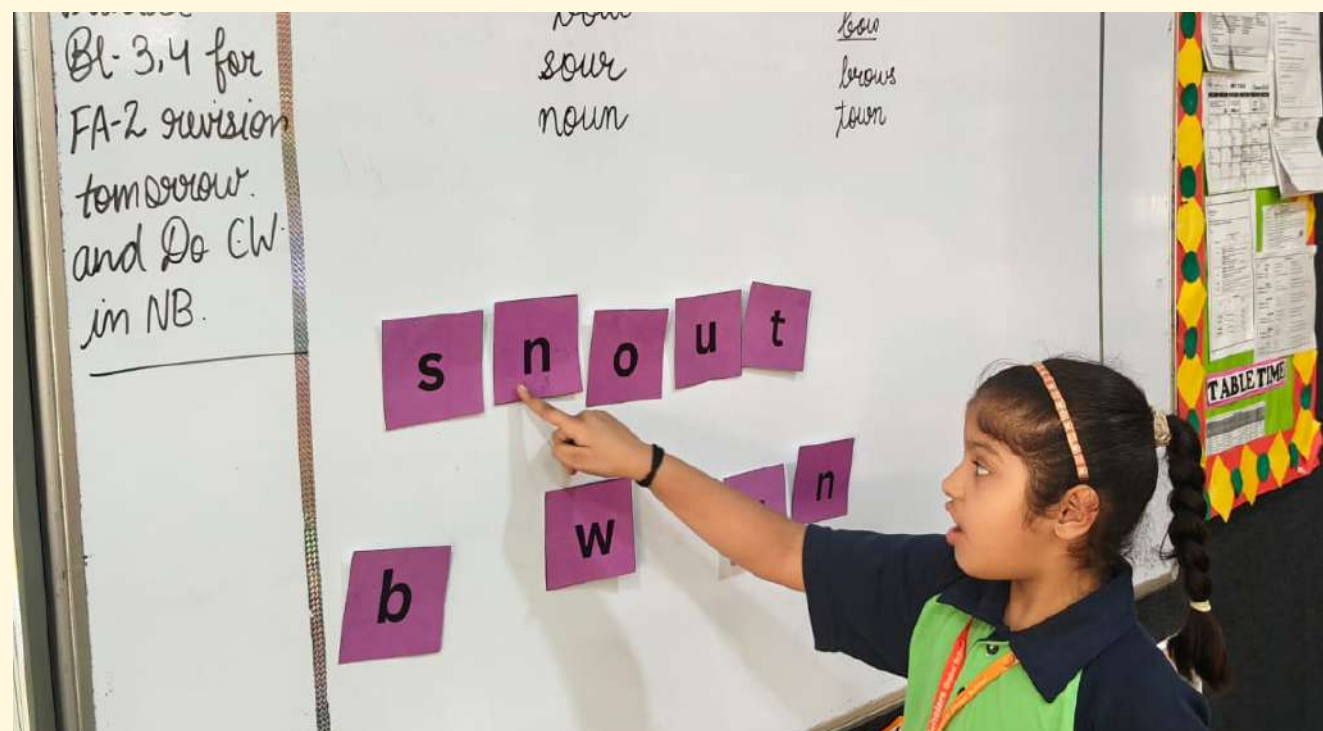

**I have a face and
two hands, but
I cannot clap.
What am I?**

Phonics Activity

Grade 2 students enthusiastically participated in a hands-on phonics activity using letter cards to create words with different sounds. The activity strengthened their sound blending, spelling, and vocabulary skills while making learning interactive, engaging, and enjoyable.

SHOW & TELL ACTIVITY

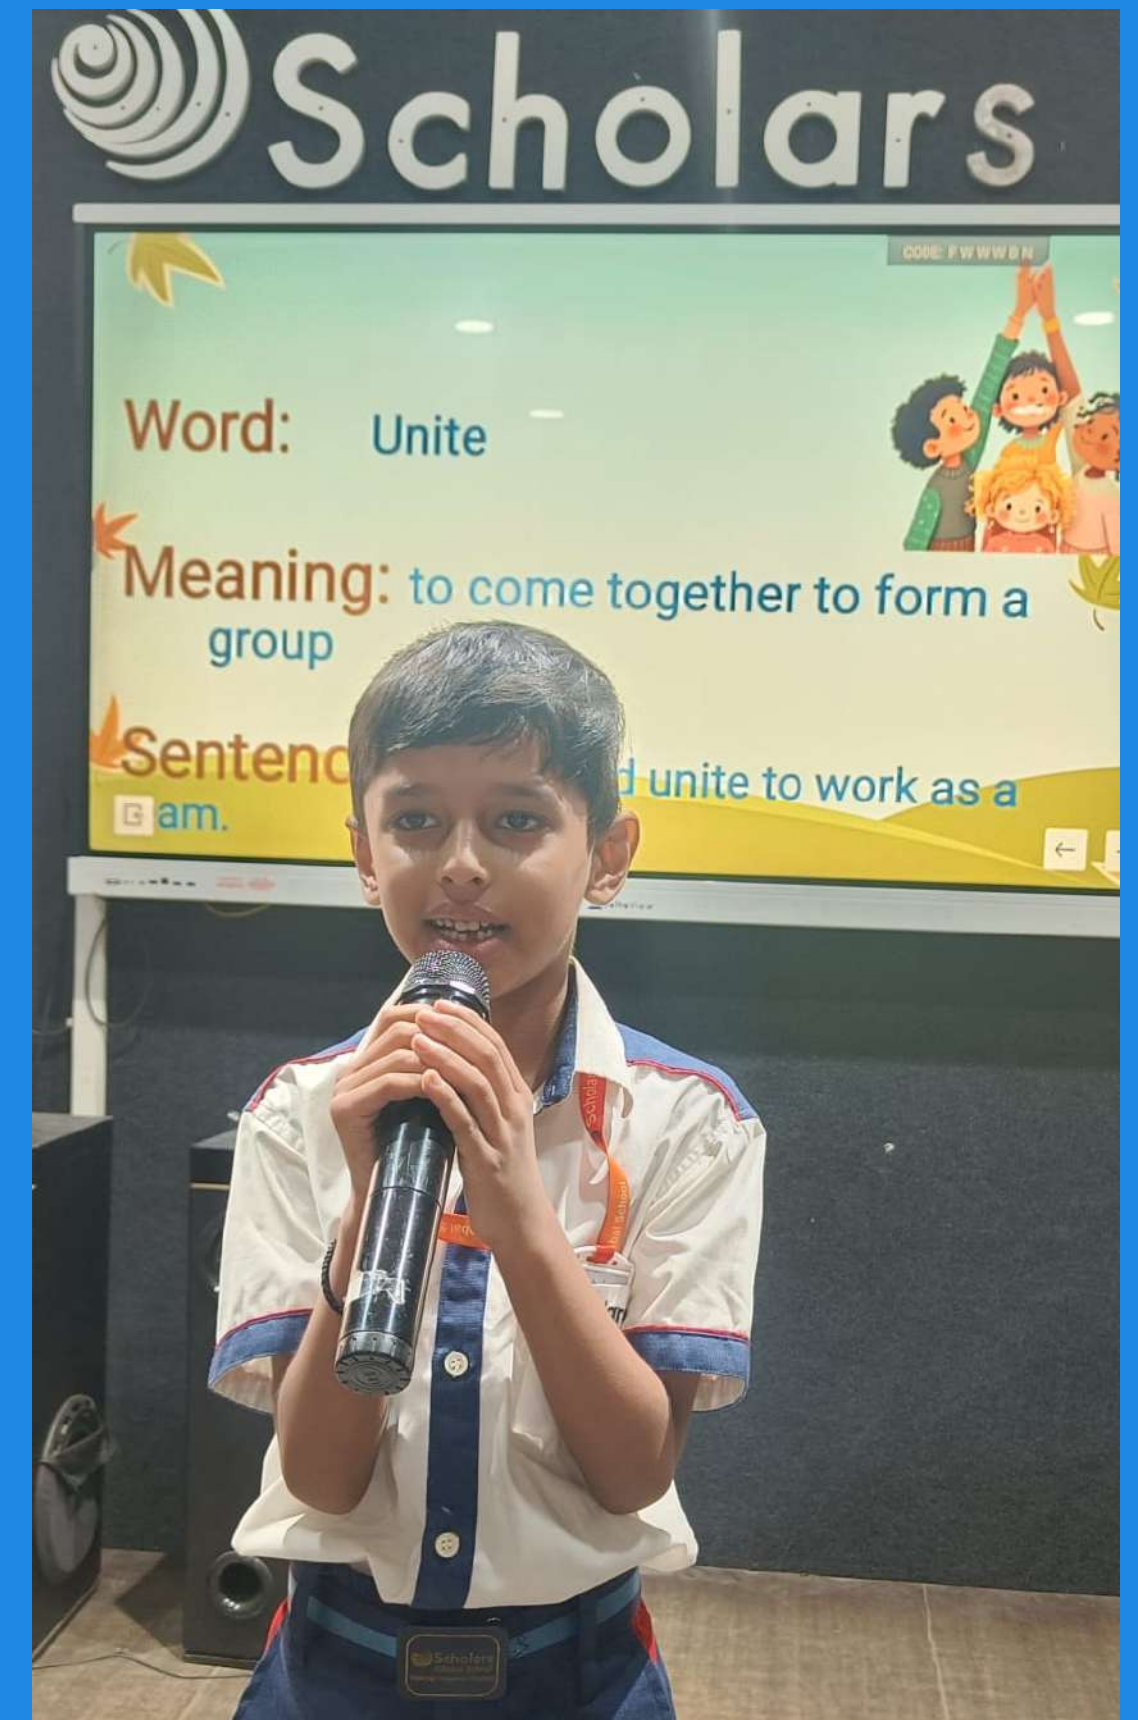

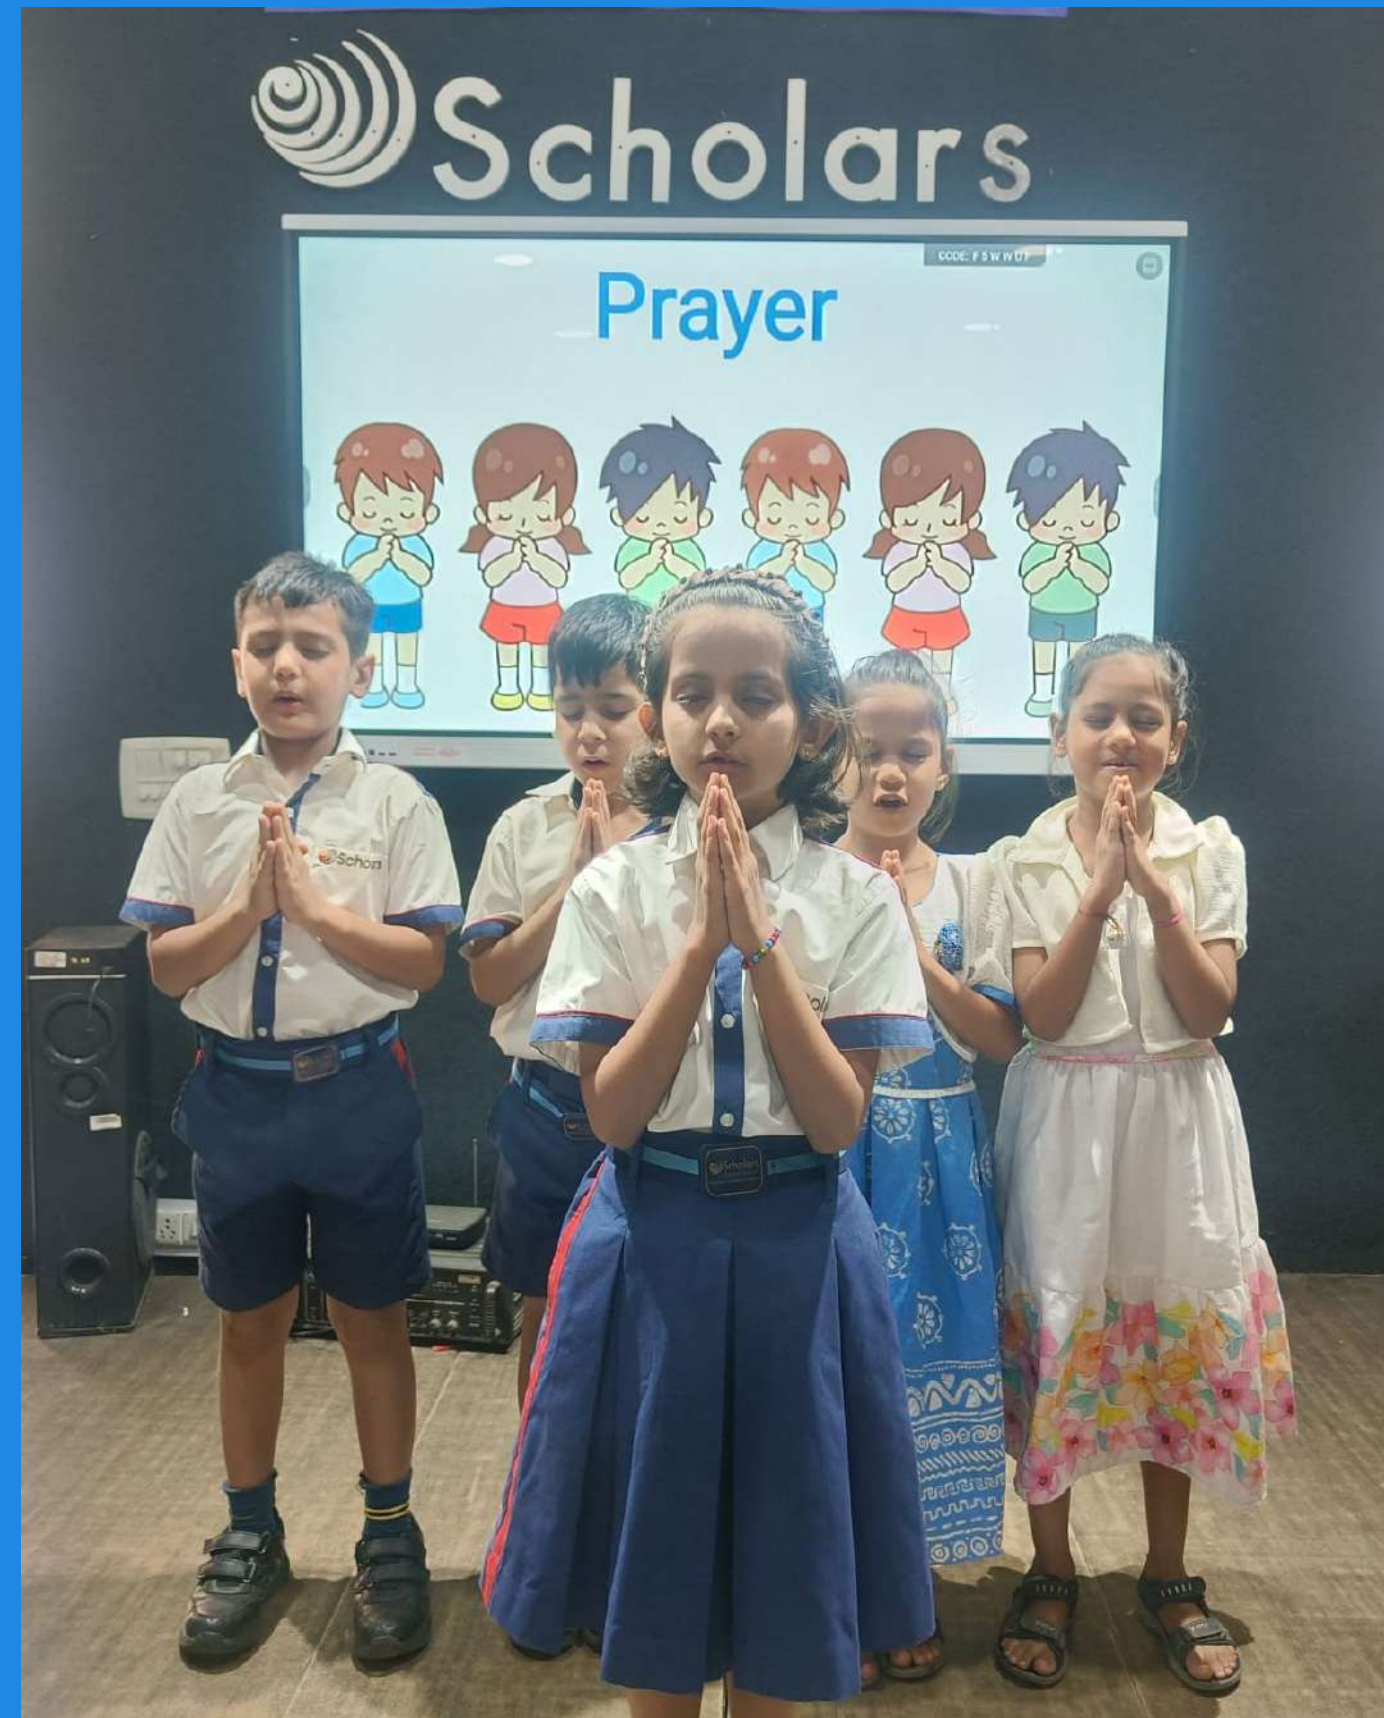

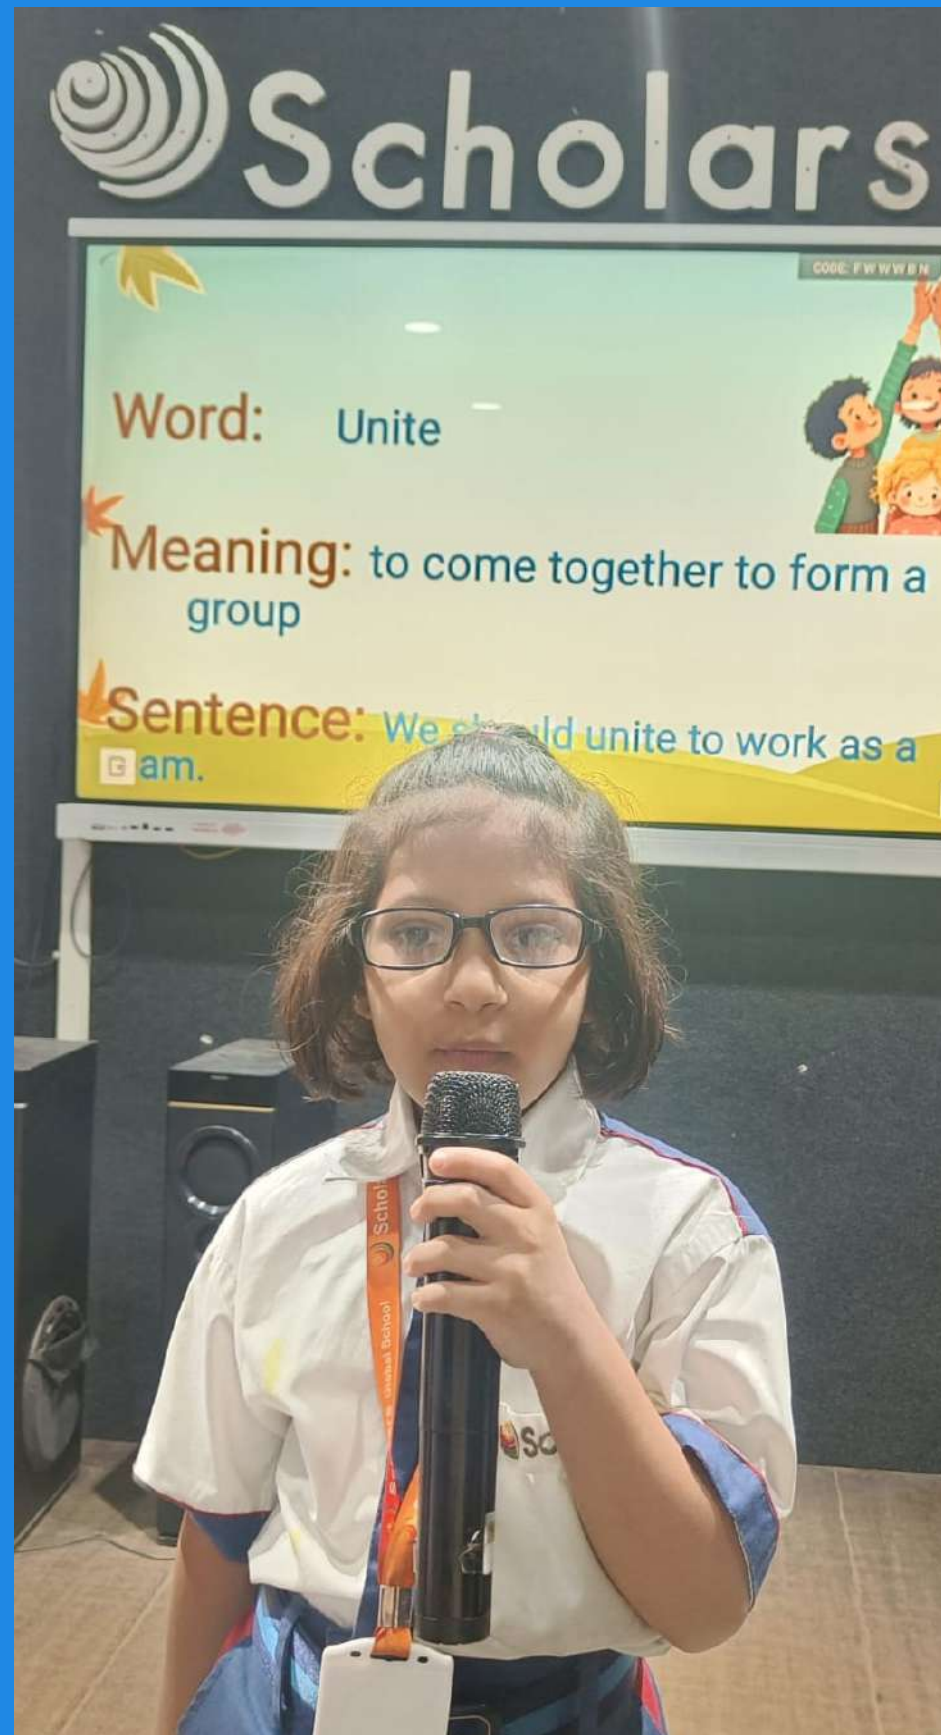

Grade II ASSEMBLIES

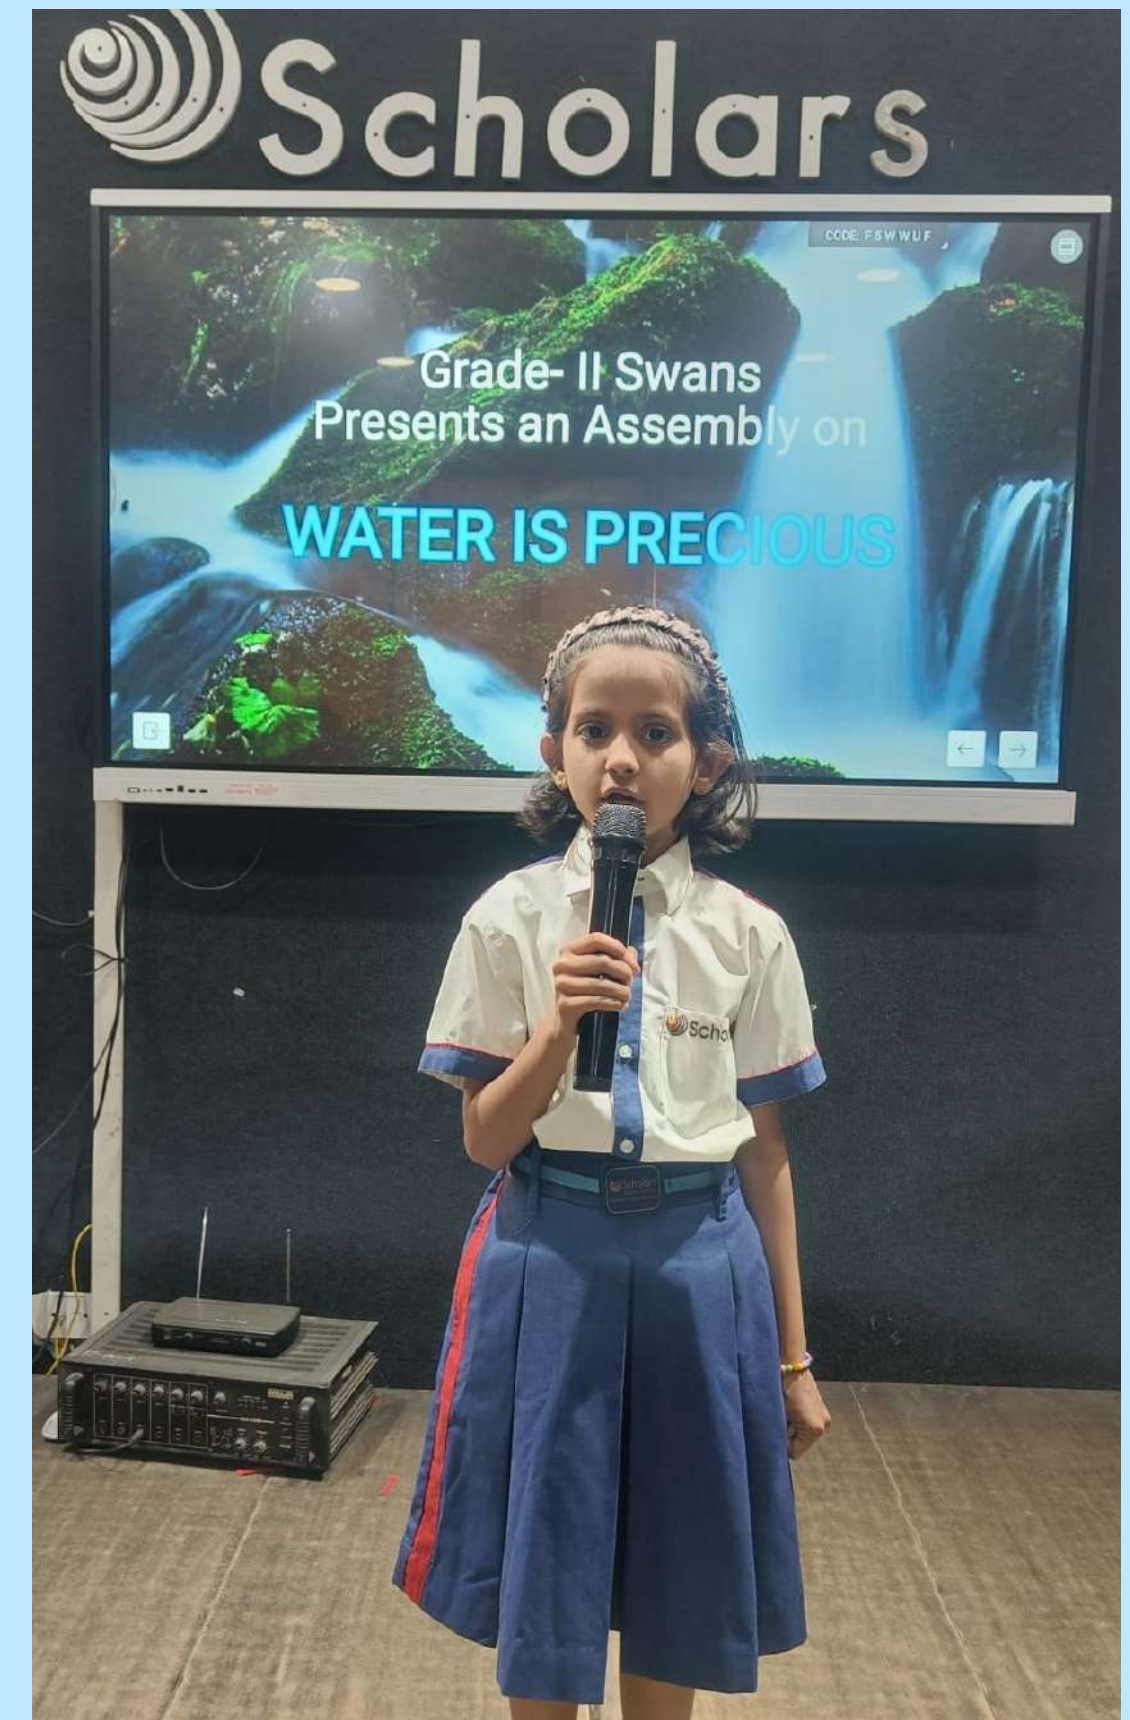

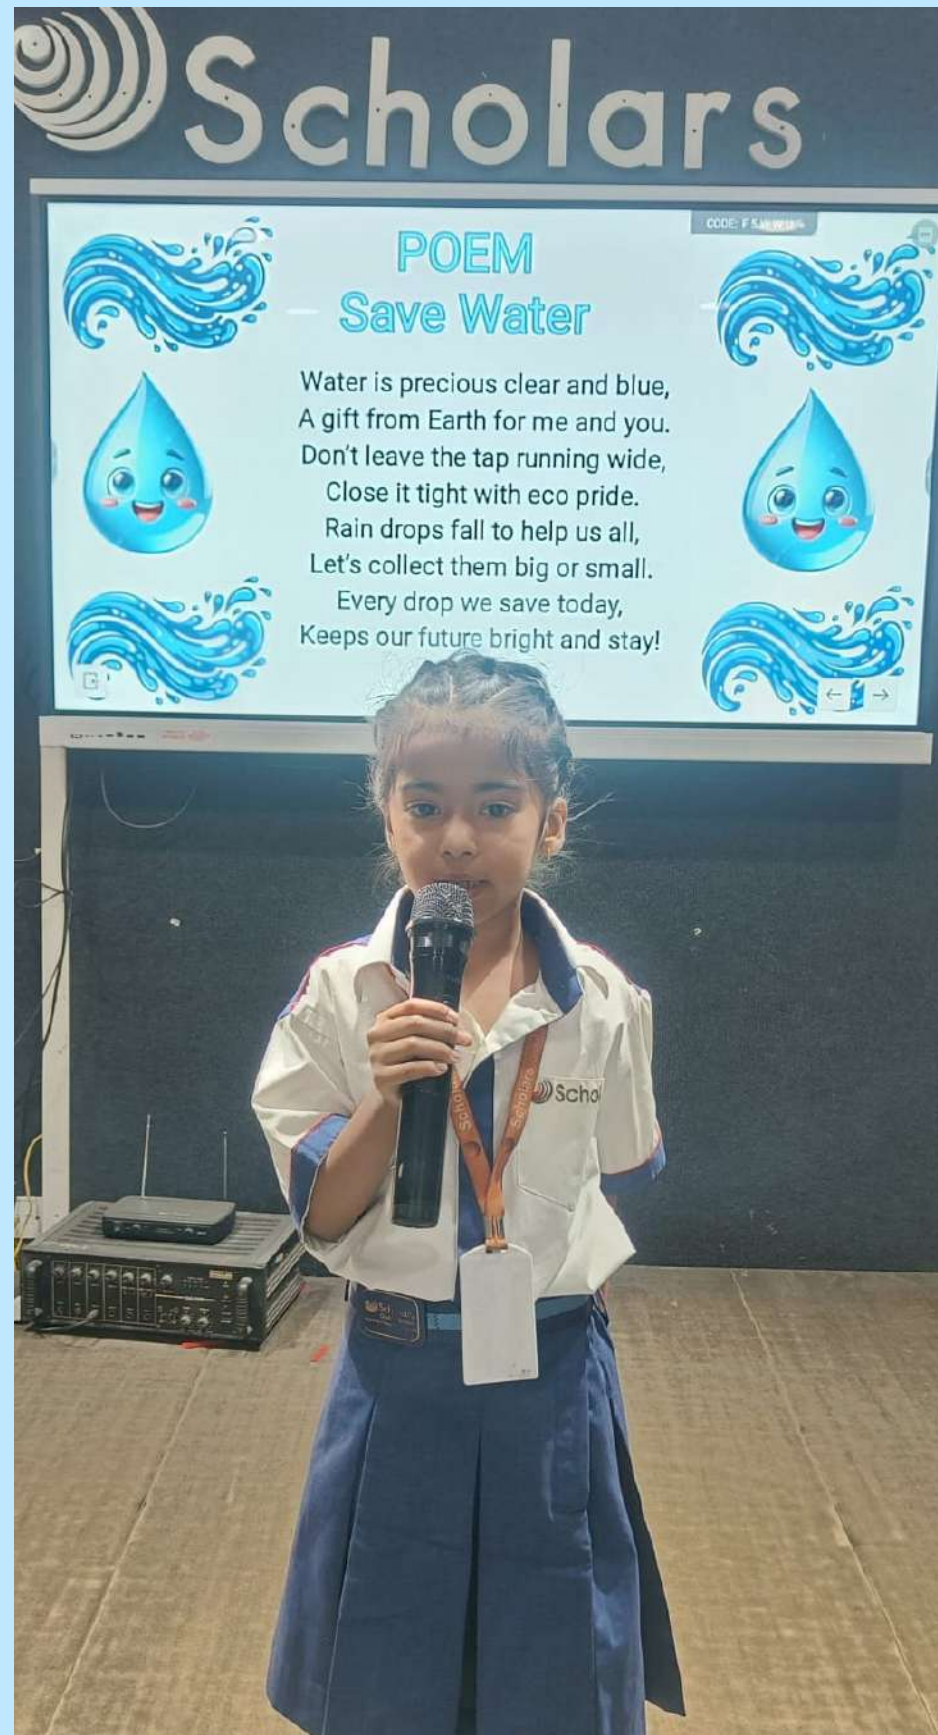

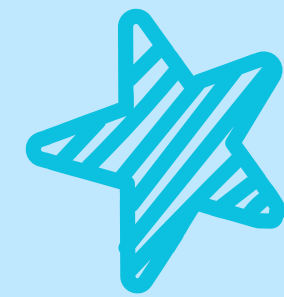

Grade 2 assemblies provide students a valuable platform to build confidence, improve communication skills, and develop a sense of responsibility. Through active participation, students enhanced their teamwork, stage presence, and overall personality development in a meaningful and engaging way.

Grade II Assemblies

Grade II Assemblies

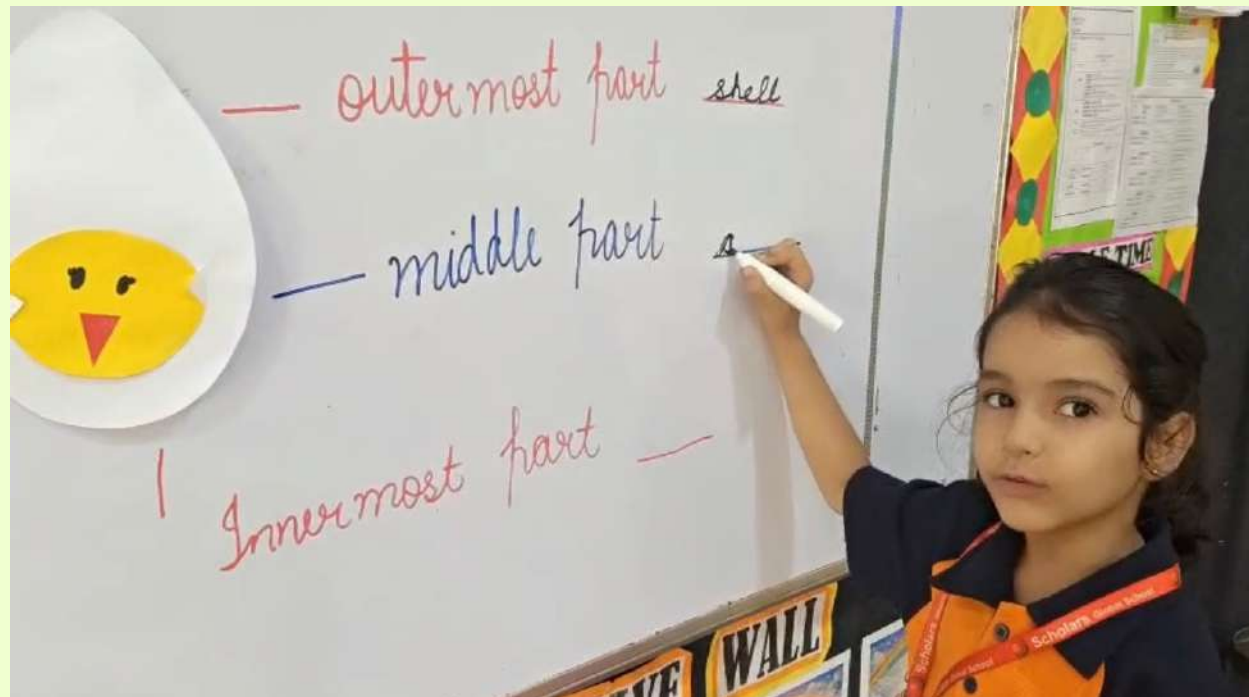

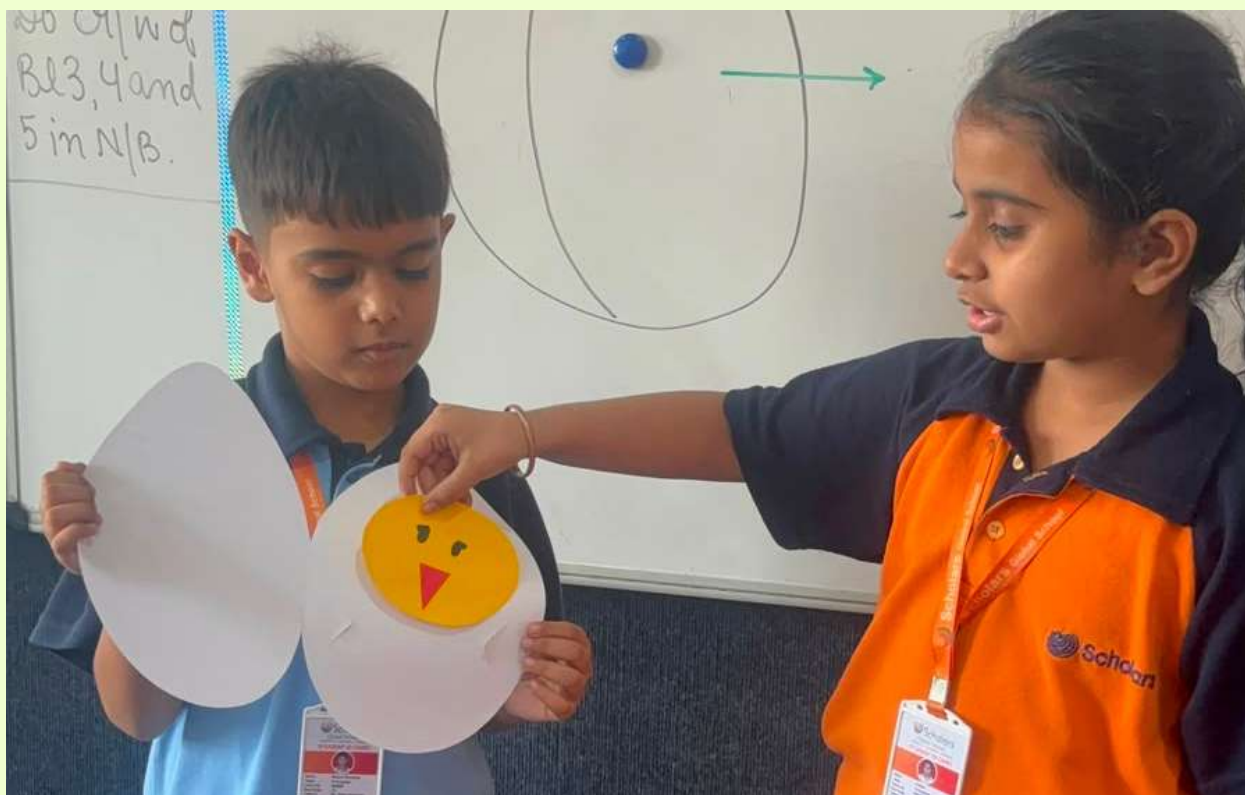

Quality Circle Time

Quality Circle Time is to create a safe, happy, and supportive classroom environment where every child feels heard and valued. It encourages students to share their thoughts, solve problems together, develop empathy, and build positive relationships with their classmates and teachers.

EVs

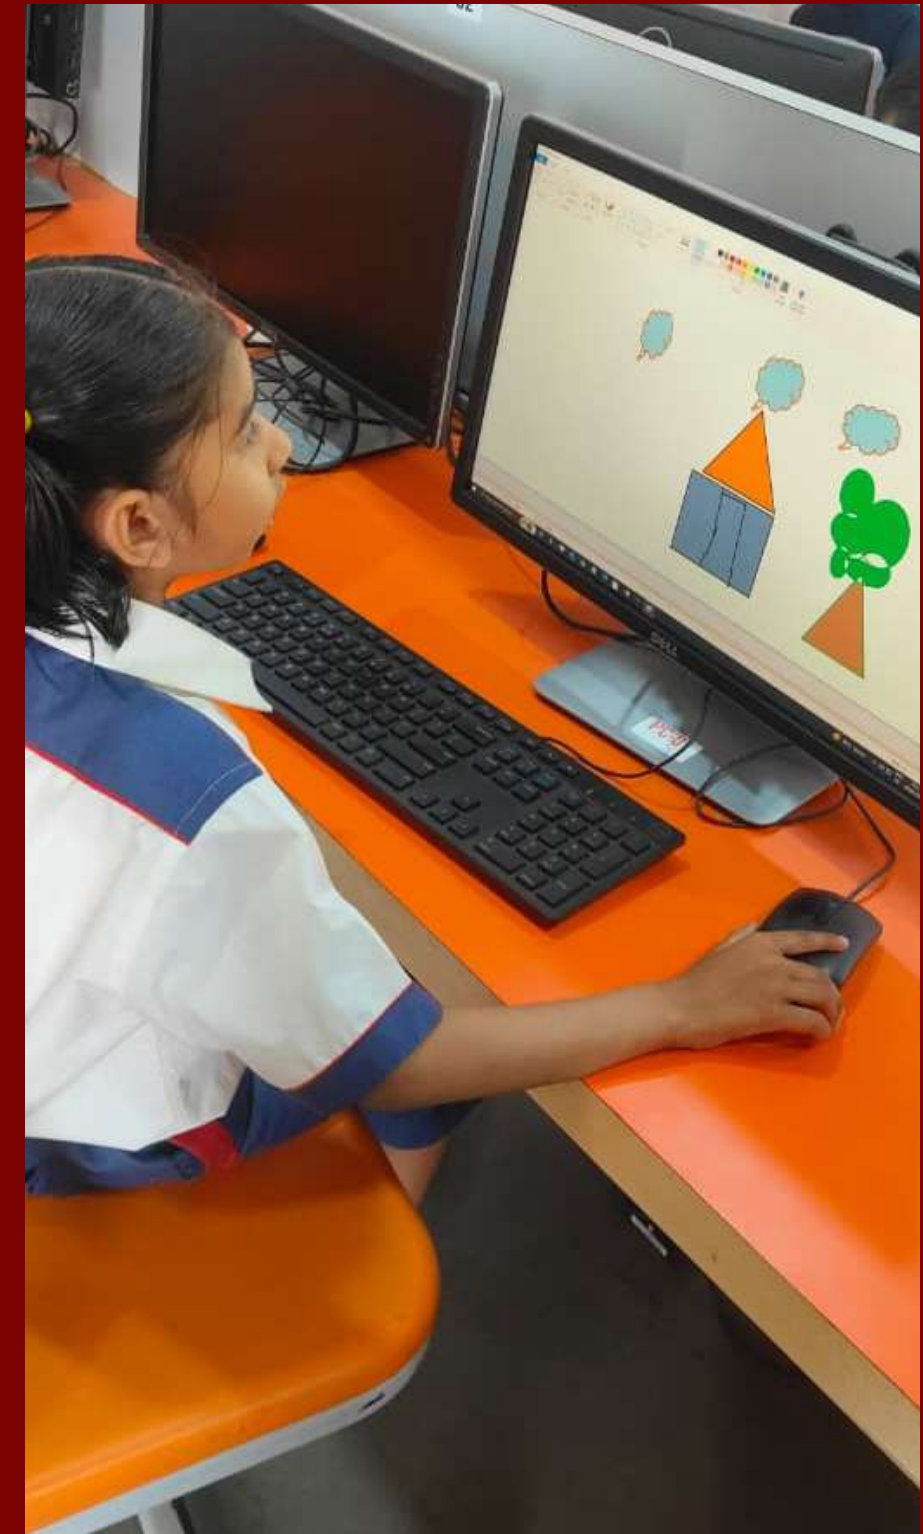

Students explored the parts of an egg through an engaging EVS hands-on activity. Using a creative egg model, they identified the shell, albumen (egg white), and yolk, making learning interactive, enjoyable, and easy to understand.

Computer

Students explored MS Paint in the computer lab and learned how to use basic tools such as the brush, shapes, colour fill, and text options. The hands-on activity enhanced their creativity, mouse control, and confidence in using computer applications independently.
