

Scholar Badge Ceremony – Classes III–V

Session 2025–26

ITL Public School organised its **Scholar Badge Ceremony for Classes III–V** on **24 August 2026** to honour and celebrate students who demonstrated **outstanding academic performance and 100% attendance** during the academic session 2025–26. The ceremony was a celebration of the young achievers' dedication, consistency, discipline and commitment to learning.

The event was graced by the presence of the **Principal, Dr. Sudha Acharya**, who felicitated the deserving students and congratulated them on their remarkable achievements. In her address, she reiterated the importance of **financial literacy, responsible consumption and mindful living**. She encouraged students to understand the value of money, avoid wastage of food and develop the habit of sharing with those who are in need, thereby nurturing empathy, gratitude and social responsibility from a young age.

The achievers were felicitated with **trophies, certificates and Scholar Badges**, while the students with **100% attendance** were specially recognised for their unwavering dedication, discipline and consistent presence. The ceremony served as an encouragement for all students to pursue excellence, make the most of every learning opportunity and develop into responsible, caring and conscientious individuals.
