	Domains	Positive Habits	Language & Literacy Development	Numeracy		Physical Development	Aesthetic Development	Socio-Emotional Development
MONDAY (24.8.26)	Free-Play (Settling Time)	Welcome Cleanliness Checkup Prayer & Group Gratitude Sharing Singing	Word of the Day KIND Be Kind to Animals" Show children pictures of different animals. Ask: "How can we take care of this animal?" Children share simple ideas like give water, give food, be gentle, and do not hurt animals. Students will look at pictures of animals and identify ways to care for them, such as giving them food and water, keeping them safe and being gentle with th	Number Names 9 & 10 Children will learn and practise number names 9 and 10 and revise number names 1 to 5 in the notebook 	L U N C H B R E A K	TAEKWONDO Students will participate in basic Taekwondo exercises to improve balance, coordination, strength, flexibility and self-discipline.. 	 Activity: Shape Animals Children will use different shapes such as circles, triangles, and squares to create a rabbit and a fish. They will arrange and paste the shapes creatively to make the animals. Learning Outcome: Children will develop creativity, imagination, shape recognition, and	(RAKSHA BANDHAN) Story of Rani Karnavati and Humayun – Raksha Bandhan Long ago, Rani Karnavati of Mewar was facing danger from an enemy army. Worried about protecting her kingdom and her people, she sent a Rakhi to Emperor Humayun, asking for his help. Humayun was deeply touched by the gesture. He accepted the Rakhi and considered Rani Karnavati his sister. He decided to help and protect her, showing that the

							fine motor skills through this activity.	bond of Raksha Bandhan goes beyond blood relations. This story is often told as a beautiful example of love, trust, respect, and the promise to protect one another—the values celebrated through Raksha Bandhan. Message for children: Raksha Bandhan teaches us that a true bond of love and care is built on respect, trust, and looking after each other.
TUESDAY (25.8.26)	Free-Play (Settling Time)	Welcome Cleanliness Checkup Prayer & Group Singing	Word of the Day Help Discussion on Animals Teacher will have a simple discussion with children about different animals and pets. Children will revise their names, sounds, homes and basic characteristics through simple questions and answers	Children will do the revision worksheets for Hindi, English and Numbers. They will write, match, and circle the correct answers based on the concepts taught in class.		Animal Sensory Path Students will use the sensory path and jump on the animal faces. They will identify the animals and imitate their sounds and movements, making the activity fun and engaging.	Animal Finger Painting Children dip their fingers or thumb paint and make prints on the sheet. They use the prints to create simple animals like caterpillar, fish, butterfly, bird or ladybug. Children add eyes, ears, legs, wings and other features using crayons or sketch pens. Encourage children to choose different colours and make their own creative animal pictures.	Discussion on Onam Through an assembly, the teacher will introduce Onam as a festival celebrated in Kerala. She will tell the children about Kerala's traditional food, traditional attire and other special features associated with the festival. The children will observe and learn

Let each child show their picture and name the animal they have made.

about the culture and traditions of Kerala in a fun and simple way.

		Checkup Prayer & Group Singing	Rakhi – Rakhi is a special festival of love between brothers and sisters. On this day, sisters tie a rakhi on their brothers' wrists. Brothers give gifts to their sisters. We show love, care, and respect for each other. We should always help and protect our family members. Rakhi teaches us the importance of love, sharing, and bonding.	revision. Children will practise topics missing numbers, what comes after, and circling the bigger number.		participate in a fun and engaging hurdle activity. They will jump over age-appropriate hurdles and complete the course with enthusiasm, energy, and sportsmanship.	celebrate the spirit of the Rakhi Festival. They will take their handmade Rakhis home as a takeaway.	Activity Day and Bagless Day, where children participated in a variety of fun and engaging activities. They enrolled in different activities and actively took part in them along with their teacher in-charges. The day included activities such as Dance, Fashion Show, Cooking Without Fire, and many other creative and interactive activities. It provided children with an opportunity to explore their interests, learn new skills, express themselves creatively, and enjoy learning beyond the classroom
