

BLOOM STUDENTS AT CHILDREN'S SOCIAL CONCLAVE 2026

DATE: 6 August 2026

Our enthusiastic students are all set to represent **Bloom Public School** at the **Children's Social Conclave 2026**, being held at **Gandhi Darshan, Rajghat**. They will showcase their innovative model, "**Earth House**," reflecting their ideas and understanding of sustainable living and environmental responsibility.

The event provides a wonderful platform for our young learners to present their creativity, innovation, and problem-solving skills while engaging with students from across the region. We wish our young changemakers the very best as they represent the school with confidence and pride!
