

FROM IDEAS TO IMPACT – ENERGY 2047

EVENT: Science Zonal Seminar - India's Energy Basket 2047

DATE: 20 August 2026

Agnibesh of Class 8C proudly represented **Bloom Public School** at the **Science Zonal Seminar**, where he delivered an enthusiastic and confident presentation on the theme “**India's Energy Basket 2047.**”

His engaging presentation demonstrated his understanding of India's evolving energy landscape and reflected a thoughtful vision for a **sustainable, secure, and energy-efficient future**. His participation showcased confidence, awareness, and a keen interest in contemporary scientific and environmental challenges.
