

POWERING A SUSTAINABLE FUTURE

EVENT: Renewable Energy – Assembly

DATE: 20 August 2026

CONDUCTED BY: Class 11B

Class **XI-B** conducted an informative assembly on the theme “**Renewable Energy.**” Students highlighted the importance of renewable sources such as **solar, wind, hydro, and biomass energy**, while raising awareness about sustainable energy practices.

Through their thoughtful presentation, students emphasised the need to make responsible, eco-friendly choices and encouraged everyone to contribute towards building a **greener and more sustainable future.**
