

FUN WITH NUMBERS: ADDITION ACTIVITY

ACTIVITY: Learning Addition Through Bindis

DATE: 7 September 2026

CONDUCTED BY: Class 1C

As part of a **Competency-Based Education (CBE)** activity, Class 1C students practised addition by creatively pasting bindis on a given worksheet and counting them to find the sums. This engaging hands-on activity strengthened their **counting skills, number sense, and understanding of addition** while making mathematical learning interactive and enjoyable.
