HAPPY Friendship DAY

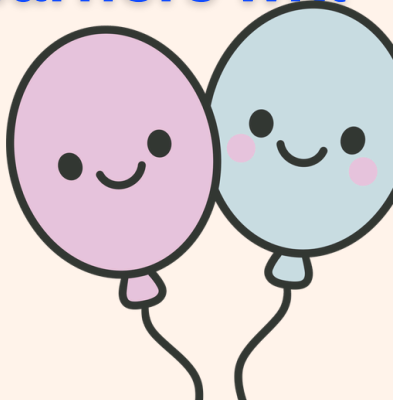

Friendship Day was celebrated with smiles, laughter, and togetherness at ITL Candyfloss! Our little learners shared the names of their best buddies and spoke about the fun moments they enjoy together. Adding a creative touch, the children made colourful Friendship Bands using paper cutouts , celebrating the joy of caring, sharing, and friendship. The celebration strengthened the bonds of friendship and created memories that our little learners will cherish.

Happy Independence Day

Let the love for India grow in every little heart, today and always.

ITL Candyfloss came alive in the vibrant colours of patriotism as we celebrated **India's 80th Independence Day** with a week filled with joy, pride and togetherness.

From a soulful patriotic music session and a delightful **Tricolour Sandwich Making Activity** with our mothers, to stepping into the shoes of our favourite Freedom Fighters, each day offered a new and meaningful way to celebrate our nation.

The celebrations culminated in a special **Independence Day Assembly**, where the meaning of freedom was presented in a simple and relatable way, inspiring our little learners to embrace love, unity, respect and responsibility.

Dressed in the Tricolour, our young patriots filled the air with patriotic fervour through choir performances of **'Nanha Munna Rahi Hoon'** and **'Saare Jahan Se Achha'**, the stirring poem **'Veeron Ka Sandesh'**, and vibrant dances on **'Desh Rangila'** and **'Tera Himalaya Aakash Chhoo Le.'**

Our young speakers beautifully shared how each one of us can contribute towards a better India—by **being kind, helping others, keeping our surroundings clean, respecting everyone** and doing our little bit for our country every day.

The patriotic spirit continued with an **Intra-Class Colouring Competition** for Nursery and **Intra Class Drawing** on **India's National Symbols** and cheerful **Tricolour Badge Making**.

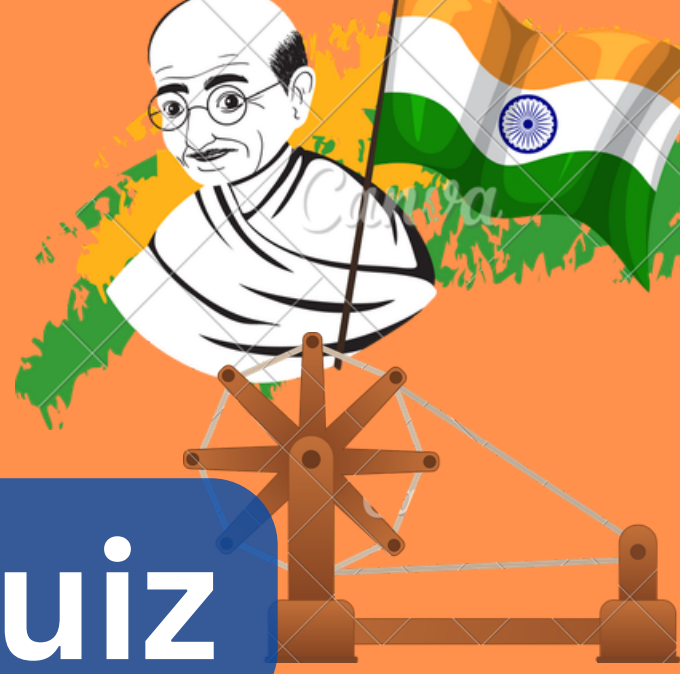

Through a week of singing, creating, performing and discovering, our little learners not only learnt about India but also learnt to **love it, respect it, care for it** and become responsible citizens of its brighter tomorrow. 🇮🇳❤️

Onam

ITL Candyfloss celebrated Onam with an engaging assembly by the young learners of KG where they confidently showcased various aspects of the festival. Children came dressed in traditional attire, adding authenticity to the celebration. They expressed understanding of why Onam is celebrated, its significance, Dance forms - Kathakali, Mohiniyattam, and the Onam Sadhya.

Children participated in hands-on activities including pookalam (flowerbed) making and created a snake boat. They also meaningfully colored drawings related to the festival depicting folk dolls, snake boats, and other festival-related imagery. Every child was actively engaged throughout the celebration. Mothers participated actively, presenting the traditional Onam Sadhya and performing dance movements with the children and teachers, strengthening school-home partnerships.

This event successfully fostered cultural awareness and meaningful family engagement.

Rakshabandhan

The little learners of ITL Candyfloss celebrated Rakhi with great joy and enthusiasm. They learnt about the importance of Raksha Bandhan and the special bond of love, care and togetherness between siblings.

Adding a creative touch, the children made beautiful Rakhis using corn seeds and carom seeds on colourful ribbons, making the celebration fun, meaningful and hands-on.

They happily took their handmade Rakhis home, along with a beautiful learning of love, sharing, care and celebrating our traditions.
