SUBJECT: E.V.S

CLASS I TEXTBOOK:

MY GREEN WORLD)-1 (MILLENIUM)

MY GREEN WORLD (WORKBOOK)-1 (MILLENIUM)

MONTH & NO. OF DAYS	Name of the Chapter	SUGGESGTED ACTIVITIES
April (22 days)	• Ch-1 About Me	• Play Dough Faces- The students will create fun faces using play dough, exploring creativity and facial expressions.
May (17 days)	• Ch-2 My Body	• Sense Organs Mystery Box- The students will explore their five senses by seeing, hearing, tasting, smelling, and touching different items from a mystery box. • Touch and Feel Palette- The students will bring various textured items from home—such as soft, rough, hard, crumbled, or spongy materials—to create their own “Touch and Feel Palette.” They will paste these items onto a hand drawn on an A4 sheet, assigning a different texture to each finger.
July (25 days)	• Ch-3 My Family and Friends • Ch-4 My House and School	• Public Speaking: Each student will come to the front and speak a few lines about their family, using their family photo. They will paste the picture in their notebook, • School Tour- Students will be guided for a school tour and will know about various rooms of the school. They will then paste pictures of various rooms in school in their notebook.
August (21 days)	• Ch-5 My Food Habits • Ch-6 Keeping Healthy and Safe	• "Traffic Light" Food Sort: This activity will help students categorize foods based on how often they should be eaten. The teacher will make three large circles on the floor: Red (Stop/Limit), Yellow (Slow down/Caution), and Green (Go/Healthy). Students will bring cutouts of various foods (apples, soda, eggs, chips, lentils, cake). The Action: Students will place the food in the correct circle. ▪ Green: Fruits, vegetables, milk, pulses. ▪ Yellow: Bread, pasta, fruit juices. ▪ Red: Candies, fried snacks, fizzy drinks. • Safety Activity: Safety Signal Drills (Movement) A "Red Light, Green Light" game where students practice physical response to traffic signals and identify safe habits (Thumbs Up) versus dangerous ones (Thumbs Down).

September (23 days)	• Ch-7 Places of Worship and our Festivals	• Public Speaking: Students will recite poems on their favourite festivals.
October (20 days)	• Ch-8 People Who Help Us	• Role Play: The students will bring a flashcard of any community helpers and speak lines to describe them.
November (18 days)	• Ch-9 Our Nation	• Role-Play I am a National Symbol: Students wear a simple headband with a picture of a national symbol (Tiger, Lotus, Peacock). They stand and say one fact: "I am the National Bird. I have beautiful blue and green feathers."
December (24 days)	• Ch-10 Plants and Animals Around Us • Ch-11 Air and Water	• The "Nature Walk" Reporter (Observation) Students will take a 5-minute walk in the school garden with a "magnifying glass". They must then present one "Finding" to the class: "I saw a green leaf with jagged edges," or "I saw a brown sparrow." • The "Air is Everywhere" Balloons (Properties) Students will blow into balloons or paper bags to observe how air takes up space and has weight. They will then use a hand-fan to feel the "moving air" (wind) on their faces to understand its presence.
January (16 days)	• Ch-12 Seasons in India • Ch-13 The Earth and the Sky	• The Season Suitcase (Sorting and Speaking): Students will be shown a mix of items (a raincoat, a woolen cap, cotton t-shirts, a mango, and an umbrella). They must "pack" the correct items into three labeled boxes: Summer, Winter, and Monsoon, explaining why they chose each item. • The Sky Watcher Collage (Classification): Students will divide a paper into two halves: Day Sky and Night Sky. They will paste cutouts of the Sun, Moon, Stars, and Clouds into the correct sections, describing the differences in color and light they observe in each.
February/ March (22+15 days)	• Ch-14 How do we Travel? • Ch-15 Games We Play	• Public Speaking: Students will be asked to bring information of where they travelled during winter vacation. They will share about the means of transport they used to reach different locations. • Traditional Games – Students will be divided in the groups. They will play few traditional games like kho – kho, hopscotch, antakshari, carrom, etc
