

EXPERT VISIT

Subject: Journey of Indian Architecture (Grade VIII)

Date: September 22, 2026

Description:-

An enriching expert session on “**Journey of Indian Architecture**” was organised for Class VIII students in the L-Shaped Hall from 8:00 a.m. to 9:00 a.m. The session was conducted by **Mr. Prakhar, HOD, Social Science, DPS KP V**, who introduced students to the evolution of Indian architecture from the **Ancient and Medieval periods to the Colonial and Modern eras**. Through examples of caves, temples, stupas, forts, palaces, mosques and modern structures, students explored changing architectural styles and influences. The session incorporated experiential learning, encouraging students to recall places they had visited and connect their experiences with architectural concepts. The engaging interaction enhanced students’ understanding and appreciation of India’s rich architectural heritage.
