

BUILDING A SAFER SCHOOL THROUGH COLLABORATION

EVENT: School Safety Walk

DATE: 21 September 2026

The monthly **School Safety Walk** was successfully conducted on **21 September 2026**, with parents joining the school team to review safety measures across the campus. The initiative provided an opportunity to strengthen collaboration between the school and parents while promoting transparency and accountability. Parents appreciated the school's proactive approach and shared encouraging feedback about the experience, reinforcing the importance of working together to ensure a safe and secure learning environment for all students.
