

International Day of Sign Languages 2026

Date: 23 September 2026

Organised by: ITL Public School

Classes: I–XII

Theme: “Declaring Deaf People’s Human Rights”

“Let every sign be understood, every right be respected, and every person be included.”

International Day of Sign Languages is observed every year on **23 September** to promote awareness about sign languages and their role in ensuring **equal rights, participation and inclusion**. In keeping with the **2026 theme, “Declaring Deaf People’s Human Rights,”** ITL Public School organised an interactive awareness programme for students of **Classes I–XII**.

Peer leaders introduced students to the importance of sign language and taught them basic signs related to **everyday communication, school learning and safety**. Through demonstrations and practice sessions, students learnt how simple signs can help reduce communication barriers and promote a more welcoming and accessible environment.

Aligned with the vision of **NEP 2020**, the programme reinforced the message that **everyone has the right to communicate, participate and be heard**.
