Dear Parents and Students, Greetings from SBGS!

Amid hectic routine of our life, breaks provide relax to our mind and body and refreshes us to resume our work in a more purposeful and better way.

Guidelines for students:

Homework provides an opportunity to have a recapitulation of the syllabus covered by the teachers and to improve the pace and writing simultaneously.

- Read the instructions carefully before starting each activity.
- Spend some time each day on **reading, revision, and creative activities.**
- Take regular breaks and balance study with **play, hobbies, outdoor activities, and family time**.
- Maintain good handwriting, presentation, and cleanliness in written work.
- Most importantly, **enjoy your holidays while continuing to learn!**

Guidelines for the Parents:

- Help children **plan and organize** their holiday homework, but allow them to complete it independently.
- Encourage a healthy routine that includes **study, sleep, physical activity, recreation, and family time**.
- Provide the necessary materials and a comfortable place for children to work.
- Appreciate your child's **effort, creativity, and progress**, rather than focusing only on the final result.
- Do not put unnecessary pressure on children to finish all the work at once.
- Encourage children to return to school with their work **complete, neat, and properly arranged**.

Wishing you all a very Happy Navratri, Durga Puja and Dussehra!
