Investiture Ceremony 30 July 2026

The Investiture Ceremony at Sadhu Vaswani International School for Girls was held on July 30, 2026, marking a morning of pride, purpose and promise as the newly elected Student Council formally assumed office.

The programme opened with the school's Code of Conduct being reiterated to the students, along with a presentation on the importance of teamwork, reminding the gathering that leadership is, at its heart, a collaborative effort. This was followed by an invocation, setting a tone of reverence and reflection for the proceedings ahead.

The Investiture Ceremony then began with the entry of the outgoing Student Council, followed by the formal appointment of the new House Prefects, Captains and Vice Captains, and the conferring of the Black Badges upon the newly appointed office bearers — each one a symbol not of privilege, but of duty.

The newly appointed council then took their oath with quiet resolve, pledging to serve with honesty, discipline and compassion. As their voices rose together in the pledge, the auditorium witnessed the passing of not just responsibility, but of values. Parents and students watched with visible pride as their daughters stepped forward to embrace roles of leadership and service.

Addressing the gathering, the Principal, Ms. Rajni Teckchandani, congratulated the new council and reminded them that leadership is a quiet discipline, practised daily, not once declared. She urged the students to lead by example, stating that true leaders are recognised not by their title, but by the trust they earn.

The ceremony drew to a close with the new council stepping forward with renewed confidence, ready to carry the mantle of leadership. The morning reaffirmed the school's abiding faith in nurturing young leaders who lead not for recognition, but for the good of those they serve.
