Event Report

NSS CLUB/OUTREACH PROGRAMME

Date	02-02-2026 (Monday)
Type of event	Outreach Program
Topic	Yamuna BioDiversity Park
Time	10:00 AM to 1:00 PM
Venue	Yamuna Bio Diversity Park, Wazirabad, New Delhi
Proposed For	BBA & BCA Students
Resource Person	Experts from Yamuna BioDiversity Park

Objectives of the Visit

1. To provide experiential learning on sustainable eco-development.
2. To understand the structure, function, and importance of wetland ecosystems.
3. To create awareness about biodiversity conservation and environmental sustainability.
4. To expose students to practical ecological restoration models.
5. To encourage student participation in environmental protection and conservation efforts.

Description of the Activity

An educational visit to Yamuna Biodiversity Park, Delhi, was organized on 2nd February 2026 to enhance students' understanding of sustainable development, wetland conservation, and biodiversity management. 18 Students, accompanied by Prof. Nagendra Singh, participated in the visit.

The program included expert lectures on sustainable eco-development and the ecological importance of wetlands, followed by a guided field visit. Students observed restored landscapes, native vegetation, and diverse flora and fauna, including migratory birds. The visit effectively linked classroom learning with practical exposure and encouraged environmental awareness and responsibility among students.

Outcomes of the Visit

- Enhanced understanding of sustainable eco-development and wetland ecosystems.
- Practical exposure to biodiversity conservation and ecological restoration techniques.
- Increased environmental awareness and sensitivity among students.
- Strengthened experiential and field-based learning.
- Encouraged responsible citizenship and sustainable practices.

Conclusion

The educational visit to Yamuna Biodiversity Park was highly successful and academically enriching. It provided students with valuable practical insights into sustainability, wetland conservation, and biodiversity management. The activity effectively supported the institution's commitment to holistic education, environmental awareness, and experiential learning, aligning well with NAAC quality indicators.

Department	SCHOOL OF MANAGEMENT/ SCHOOL OF COMPUTER APPLICATION		
Type of Event	Guest Lecture / Expert Talk		
Topic	Thalassemia Awareness		
Duration (in hrs)	1 Hour (11:00 AM – 12:00 PM)		
Date(s) of Event	12 February 2026	**No. of Participants attended**	130
Resource Person	**Rtn. Dr. Tajinder Singh** Dist. Senior Advisor		

Objectives of the Event:

The primary objectives of the expert session were:

- To create awareness among students about Thalassemia and its impact on society.
- To educate participants about genetic blood disorders and preventive measures.
- To promote the importance of early diagnosis and screening for Thalassemia.
- To encourage social responsibility and health awareness among youth.
- To provide knowledge about prevention, management, and support for Thalassemia patients.

Brief Description of the Activity

The Rotaract Club of MBS College, Dwarka organized a **Guest Lecture on Thalassemia Awareness** on **12 February 2026** from **11:00 AM to 12:00 PM**. The lecture was conducted to spread awareness about Thalassemia, a genetic blood disorder, and to educate students about its prevention and management.

The session was delivered by **Rtn. Dr. Tajinder Singh, Dist. Senior Advisor**, who shared valuable insights on the causes, symptoms, prevention, and treatment of Thalassemia. The speaker emphasized the importance of early screening, genetic counseling, and public awareness in reducing the spread of the disorder.

During the lecture, students were informed about the role of responsible health practices and the importance of voluntary participation in awareness initiatives. The interactive session allowed participants to ask questions and gain clarity regarding myths and facts related to Thalassemia.

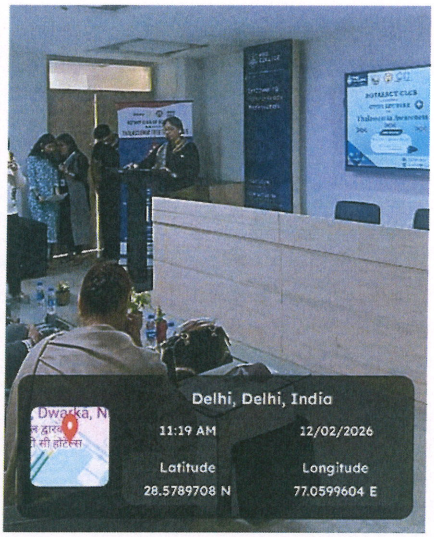

The event witnessed active participation from students and faculty members. The lecture successfully enhanced awareness regarding genetic health disorders and encouraged students to become socially responsible citizens contributing toward community health awareness.

Outcomes of the Event:

- Students gained awareness about Thalassemia and genetic blood disorders.
- Participants understood the importance of early detection and screening.
- Increased awareness regarding preventive healthcare practices.
- Encouraged students to participate in social and health awareness initiatives.
- Enhanced knowledge about community health responsibility and disease prevention.

Blood Donation Camp

Department	SCHOOL OF MANAGEMENT/ SCHOOL OF COMPUTER APPLICATION		
Type of Event	Blood Donation Camp		
Topic	Blood Donation Camp		
Duration (in hrs.)	7 Hours (9:00 AM -4:00 PM)		
Date(s) of Event	13 February 2026	**No. of Participants attended**	85
Resource Person	Medical Team & Health Professionals associated with Blood Donation and Thalassemia Screening Camp		

Objectives of the Event:

The primary objectives of the expert session were:

- To promote awareness about the importance of voluntary blood donation among students and staff.
- To encourage social responsibility and community service through participation in health initiatives.
- To provide thalassemia screening for early detection and awareness.
- To support healthcare institutions by contributing safe blood units for medical emergencies.
- To develop humanitarian values and civic responsibility among students.

Brief Description of the Activity

The Rotaract Club of MBS College, Dwarka organized a Blood Donation Camp & Thalassemia Screening on 13 February 2026 at the College Seminar Hall starting at 9:00 AM. The event aimed at spreading awareness about voluntary blood donation and promoting health consciousness among students, faculty members, and staff.

The camp was conducted under the supervision of qualified medical professionals who ensured safe and hygienic procedures throughout the donation process. Participants were guided regarding eligibility criteria, health precautions, and the benefits of blood donation. Along with blood donation, thalassemia screening was conducted to create awareness about genetic blood disorders and the importance of early diagnosis.

The event witnessed enthusiastic participation from students and faculty members, reflecting their commitment toward social service and community welfare. Volunteers from the Rotaract Club actively

coordinated registrations, managed donor assistance, and ensured smooth execution of the event. The initiative successfully created awareness about saving lives through blood donation and highlighted the role of youth in contributing to societal well-being.

No. of Blood Donors: 41
No. of Participants came for donating blood : 55

Outcomes of the Event:

- Increased awareness among students about voluntary blood donation and its social importance.
- Participants gained knowledge about thalassemia and the need for regular screening.
- The event encouraged a sense of social responsibility and community engagement.
- Students actively participated in humanitarian activities promoting health and wellness.
- The camp contributed valuable blood units for medical support and emergency healthcare needs.

Event Report

Joy of Giving

Date	9 March 2026 – 13 March 2026
Type of event	Social Outreach Activity – Donation Campaign
Topic	Joy of Giving – Donation Drive
Time	1:30 PM to 4:00 PM
Venue	Seminar Hall, MBS College Campus, Dwarka Sector-9, New Delhi
Proposed For	Students, Faculty Members, Staff Members, and NSS Volunteers of MBS College

Event Description

The NSS Outreach Programme of MBS College organized a social initiative titled **"Joy of Giving"**, a donation campaign conducted from 9 March 2026 to 12 March 2026 in the Seminar Hall of the college campus. The initiative aimed to promote compassion, empathy, and social responsibility among students and the college community.

The campaign was organized to collect useful items such as clothes, shoes, snacks, and voluntary contributions for the residents of Sarthak Prayas Second Inning Home for Senior Citizens located in Dwarka, New Delhi.

Students actively participated in the campaign by contributing various items. The initiative also received support from the college administration, where **the Director, Deputy Director, and several faculty and staff members generously contributed donations**, encouraging students to participate in the spirit of giving and social service.

Donation Collection Activities

During the campaign, cartons and collection boxes were placed in the Seminar Hall to facilitate the donation process. Students, faculty members, and staff members contributed clothes, snacks, and other useful items for the elderly residents.

NSS volunteers coordinated the collection process and ensured that the donated items were properly received and organized. The collected materials were carefully sorted and packed so that they could be transported safely for distribution.

The campaign created awareness among students about the importance of supporting elderly citizens and contributing to social welfare initiatives.

Distribution of Donations

On **13 March 2026**, the collected donations were delivered to **Sarthak Prayas Second Inning Home for Senior Citizens** in Dwarka, New Delhi.

To transport the donation materials from the college to the old age home, a **porter service was arranged to carry the cartons containing clothes, snacks, and other donated items**.

The visit was carried out by **Mr. Priyansh along with NSS volunteers**, who personally delivered the collected items to the old age home. The team distributed clothing and other donated items to the residents and interacted with them during the visit.

The residents warmly welcomed the volunteers and expressed their gratitude for the thoughtful gesture. The interaction created a positive and emotional atmosphere, allowing students to experience the joy of helping others and understanding the value of compassion and community service.

Key Activities

The major activities conducted during the campaign included:

- Placement of donation collection boxes in the Seminar Hall
- Collection of clothes, snacks, and voluntary contributions
- Participation and donations from students, faculty members, and college administration
- Sorting and packaging of collected items by NSS volunteers
- Arrangement of porter assistance for transportation
- Visit to the old age home and distribution of donations to residents

Conclusion

The **Joy of Giving Donation Campaign** at MBS College was conducted successfully with active participation from students, faculty members, staff, and NSS volunteers. The initiative helped foster a sense of empathy, generosity, and social responsibility within the college community.

The visit to the old age home and the distribution of donated items made the initiative meaningful and impactful. The campaign reflected the institution's commitment towards community service and social outreach activities and highlighted the importance of spreading happiness through acts of kindness.
