Inspiration, Innovation, and Insight

01

“May our students grow and build a future of endless possibilities.”

WORDS FROM THE CHAIRMAN

Shri Gulshan Kumar Magon

This magazine showcases our motto of **Mind, Body, and Soul**. Since 2009, MBS College has grown from a small B. Arch program of 40 students to a thriving institution of 120, recently expanding to include a BBA course. This growth reflects the dedication of our faculty and the trust of our community. We remain committed to fostering academic excellence, creativity, and innovation. To support this, our new infrastructure—including state-of-the-art classrooms, studios, labs, and secure basement parking—is designed to provide a modern, comfortable learning environment. I am deeply grateful to the MBS family. Together, we are building a brighter future focused on academic knowledge, character, and leadership.

WORDS FROM THE DIRECTOR

Prof. Bijay Dash

“Let your creativity and dedication shape the future of architecture.”

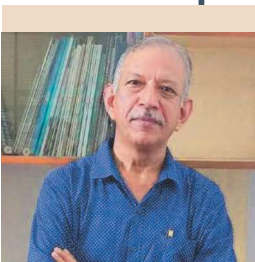

As we embark on a new academic term, I am filled with immense pride and optimism for the future of our School of Architecture, Planning, and Design. Our department continues to be a beacon of innovation, creativity, and excellence, thanks to the hard work and dedication of each member of our community. This year, we have witnessed remarkable achievements from our students and faculty. These successes are not just milestones but testaments to the collaborative spirit and intellectual vigor that define our institution. Thank you for your unwavering dedication and passion. Together, we are building a legacy of excellence that will inspire future generations.

“Discipline is doing what needs to be done, even if you don't want to do it.”

WORDS FROM THE DEAN

Prof. Praveen Arora

It is a pleasure to welcome you to MBS College. Since starting as an architecture college in 2009, we have evolved into a diverse academic hub now offering BBA and BCA programs, with more courses planned for the future.

We are committed to providing a progressive learning environment that equips students with essential skills for success. Our experienced faculty delivers high-quality education aligned with global standards. Through internships, industry exposure, and personality development, we prioritize practical knowledge and career readiness.

As we expand, we remain dedicated to shaping the leaders of tomorrow. I wish all our students a fruitful and enriching academic journey.

“We do not merely teach students; we help them discover the best version of themselves.”

WORDS FROM THE DY. DIRECTOR

Prof. (Dr.) Sangeeta Malik

Education is not only about academic excellence but also about the overall growth of an individual. At our institution, we are committed to fostering the holistic development of every student by encouraging intellectual curiosity, ethical values, creativity, leadership skills, and social responsibility. Students are encouraged to actively participate in academic, cultural, sports, and community engagement activities that contribute to their personal and professional development. Such experiences help build confidence, discipline, teamwork, and a sense of responsibility toward society. We believe that each student possesses unique potential, and through continuous learning, innovation, and self-improvement, you can achieve excellence in all spheres of life. I urge all students to make the best use of the opportunities and resources available to shape a bright and meaningful future. Wishing you success and growth in all your endeavors.

WORDS FROM THE SR. ADVISORY

Prof. V K BUGGA

“We do not create the work, I believe that we in fact are the discoverers”

Nature serves as the ultimate inspiration for architecture, providing the elements that fuel human creativity. Architecture is the language used to translate these ideas into living spaces that blend seamlessly with the landscape to ensure human comfort.

A designer's primary responsibility is to prioritize the client's needs by "walking in their shoes" to truly understand their requirements. At MBS College, we encourage students to explore the world beyond the campus to better understand human psychology and find innovative solutions for the evolution of form and function.

“True education is measured not by what we achieve, but by the good human beings we become.”

WORDS FROM THE DY. ADVISORY

Prof. (Dr.) Vivek Sabherwal

It gives me great pride to learn about the stupendous commitment of both, the faculty and the students' excellent achievements in both Academics and extra curricular achievements over the years, at MBS college under the flagship of Guru Gobind Singh Indraprastha University(GGSIPU). The launch of the magazine for the session 26 -27 is a moment of pride and joy, and a sense of gratification for the members of the MBS family. This magazine is a testimony of the success of the ability and potential of the students demonstrated in a nutshell. Kudos to the Magazine editorial team and those responsible to make it happen. Finally, may the Institute grow in all spheres of knowledge and experiential learning and continue to flourish, and its students develop into good human beings making a purposeful contribution to society.

Message

I am pleased to learn that **MBS College**, an affiliated institute of Guru Gobind Singh Indraprastha University, is bringing out its **College Magazine** for the academic session 2026-27, which is a matter of great pride and satisfaction.

A college magazine serves as an important academic and cultural document, capturing the intellectual pursuits, creative expressions and evolving perspectives of an institution's academic community. The magazine is a testament to the collective efforts of students and teachers who strive to uphold standards of excellence while embracing innovation and originality.

I am confident that this magazine will inspire young minds to pursue knowledge with curiosity and purpose, and motivate them to contribute constructively to academia and society.

Guru Gobind Singh Indraprastha University remains steadfast in its mission to promote quality education, research and holistic development across all its affiliated institutions. I am glad to note that MBS College continues to align itself with the University's vision of academic excellence, inclusivity and societal relevance.

I extend my best wishes to the Editorial Team and the entire MBS College fraternity for the success of this publication and for the continued achievements in years ahead.

AR. ABHAY PUROHIT
PRESIDENT

MESSAGE

It gives me great pleasure to convey my warm greetings to the students, faculty, and management of **MBS College** on the occasion of the publication of the College Magazine for the Academic Session 2026–27.

A college magazine is much more than a compilation of activities; it is a reflection of the intellectual spirit, creative energy, and collective aspirations of the institution. It chronicles achievements, ideas, innovations, and expressions that shape the academic journey of students and faculty alike. Such platforms play a vital role in fostering dialogue, critical thinking, and a deeper engagement with the values of education and professional responsibility.

Architecture, as a discipline, demands sensitivity, imagination, technical competence, and a strong sense of social commitment. I am pleased to note the continued efforts of the College in nurturing young minds and creating an environment that encourages academic excellence, cultural participation, and holistic development. Institutions like yours contribute meaningfully towards strengthening architectural education and shaping responsible professionals for the built environment.

I extend my best wishes to the editorial team and all contributors for the successful publication of the magazine. May it continue to inspire creativity, celebrate achievements, and serve as a testament to the vibrant academic life of the institution.

With my sincere regards and good wishes for the continued progress of the College.

With best regards,

Yours sincerely,

Ar. Abhay Vinayak Purohit

Message

It is a pleasure to congratulate the institution on its endeavour in publishing the College Magazine for the Academic Session 2026-27. It eloquently mirrors the faculty's efforts in striving for excellence in all domains, honing marvellously well our students - our ignited minds.

To the students, **"A Dream is not that which you see while sleeping, it is something that does not let you sleep."** - Dr. APJ Abdul Kalam

"I have miles to go before I sleep." - Robert Frost

There are no shortcuts in life - Be active! Take on responsibility! Work for the things you believe in. Aspire not just for success, but also for a life of profound significance & lasting impact.

I am certain that this publication will ignite the flames of curiosity and purposeful inquiry in young minds, compelling them to advance knowledge and make meaningful contributions to both academia and society at large.

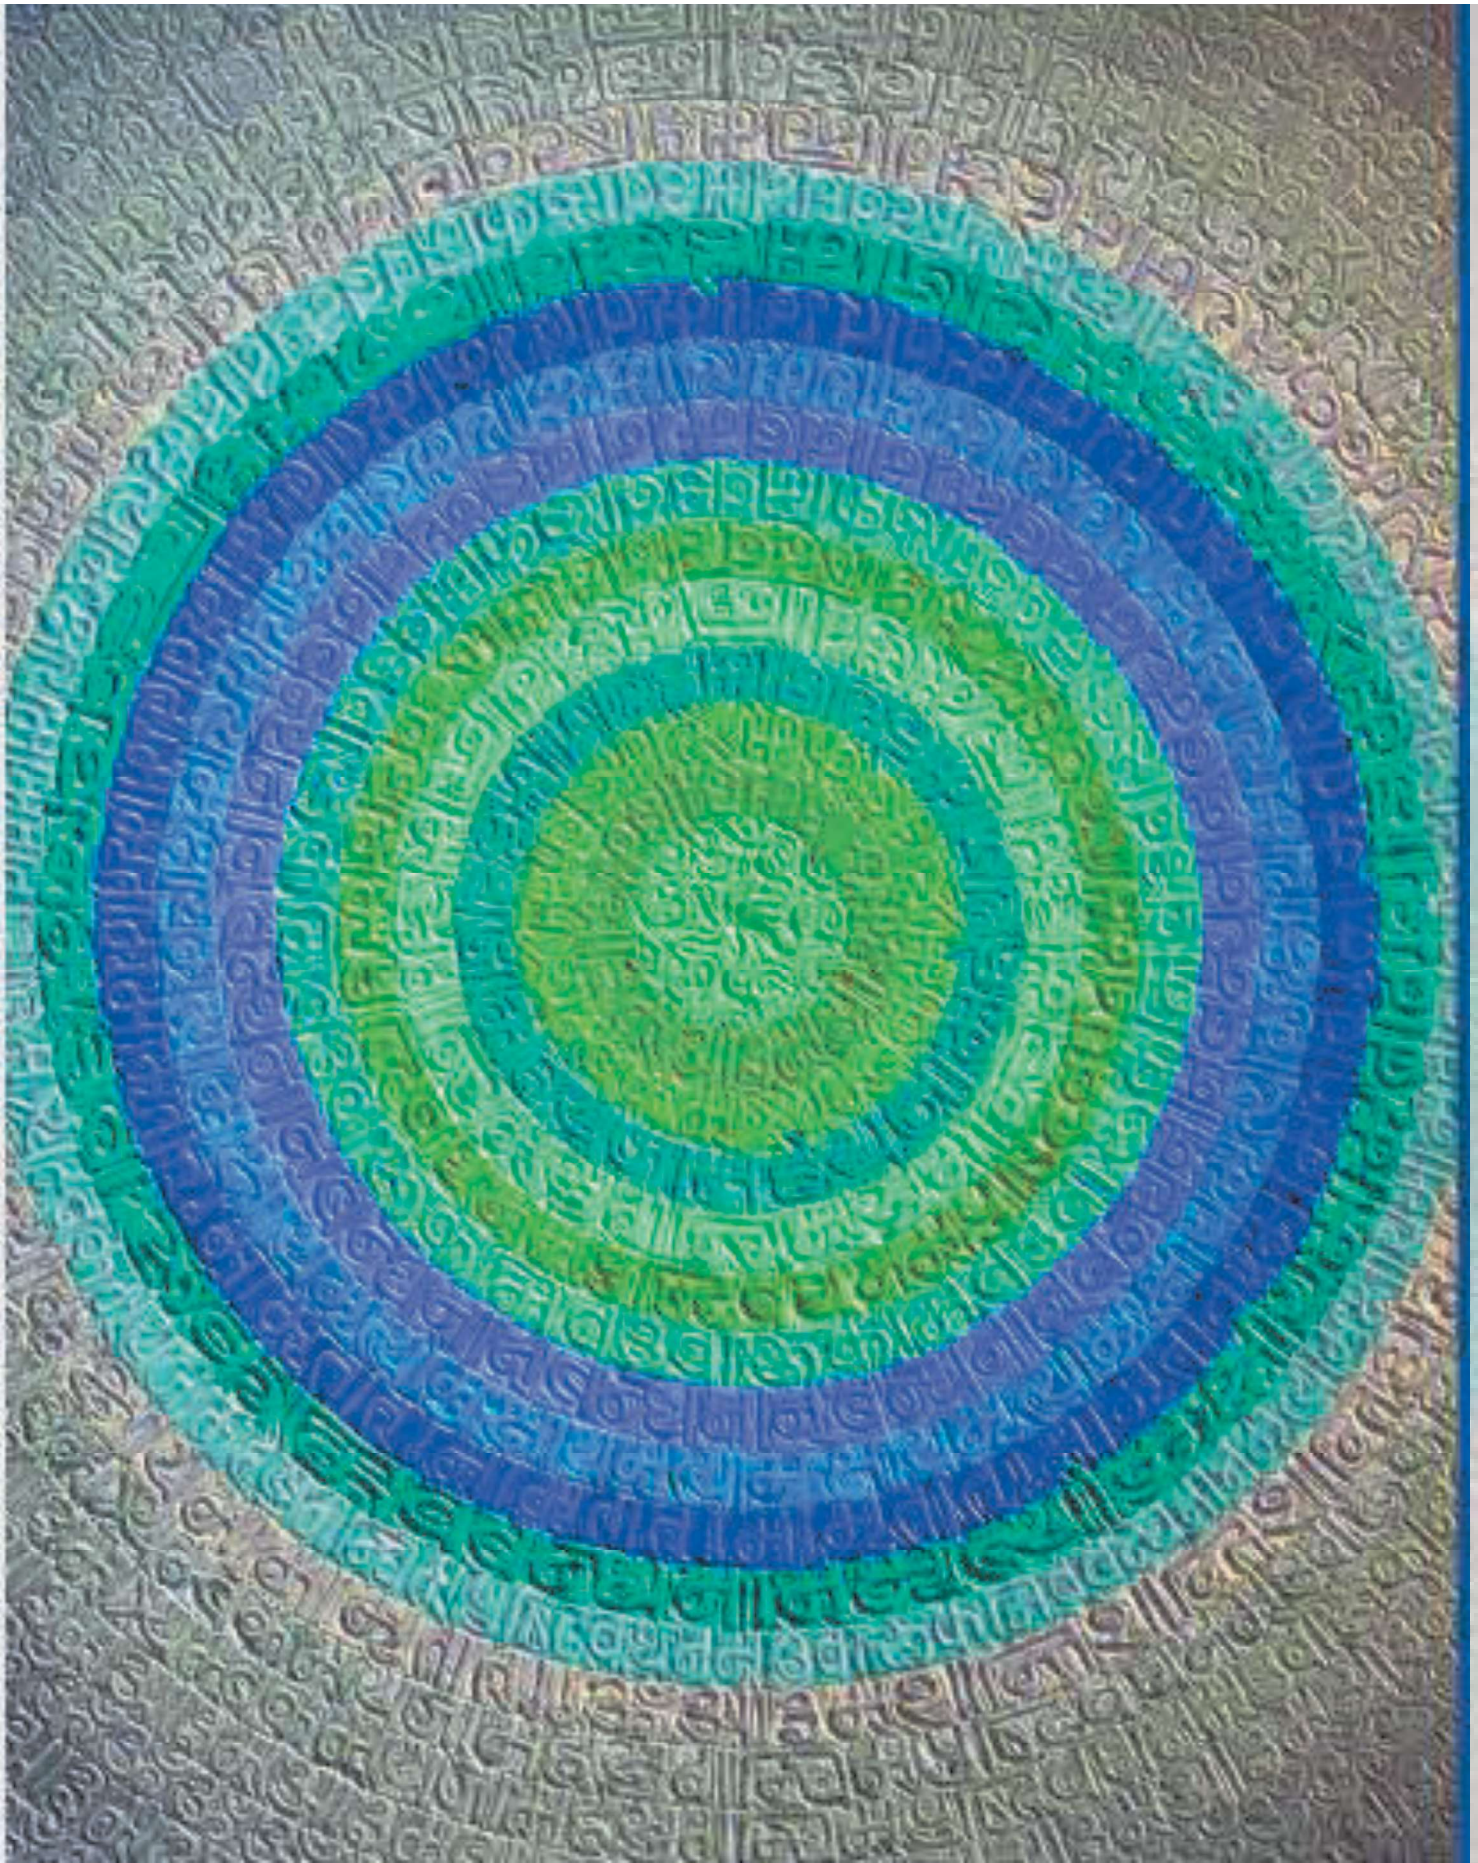

Wishing you all the best. May you continue to shine brightly, making your college, your family and your country proud.

I extend my highest commendations to the Editorial Team of this College community, wishing them unparalleled success with this edition and continued triumphs in the years to come.

GLOBAL RECOGNITION: MBS College Honored at IIT Delhi

MBS College has achieved a significant milestone by receiving the **Global Edu Leaders Awards 2026 for Excellence in Sustainable Education**. This prestigious award was presented at the esteemed **IIT Delhi**, marking another proud chapter in the institution's journey of academic excellence.

A Testament to Excellence

This recognition serves as a testament to the college's continuous efforts in several key areas:

Sustainability-Driven Education: Integrating environmental consciousness into the core curriculum.

Innovative Academic Practices: Developing forward-thinking teaching methodologies and research frameworks.

Responsible Leadership: Nurturing future-ready learners who are socially responsible and ethically grounded.

A Collective Achievement

This award reflects the unwavering commitment of the entire MBS community. We extend our heartfelt gratitude to:

Dedicated Faculty: For their tireless work in curriculum mapping and specialized research.

Ambitious Students: Whose innovative design ideas and academic achievements continue to push boundaries.

Stakeholders: For their constant support in building a sustainable future through quality education.

As we add this "**feather to our glory**," we remain inspired to lead change and foster an environment where sustainability and education go hand in hand. Together, we are building a greener, more responsible future.

NATIONAL CONFERENCE 2025

ADVANCED ARCHITECTURAL AND PLANNING PRACTICES

MBS College Hosts National Conference on 'Advanced Architectural and Planning Practices' MBS College successfully organized a two-day **National Conference on Innovative Architectural Designs and Planning Practices** on **July 10–11, 2025**. Held virtually, the event served as a high-level forum for eminent academicians, architects, and researchers to exchange knowledge on sustainability and technological advancement in the built environment.

EVENT HIGHLIGHTS:

Thematic Scope: The conference explored a wide array of progressive themes, including **Sustainable Architecture, Urban Planning for Sustainable Cities, Human-Centered Design, and the Role of Technology** in the field.

Keynote Address: Prof. Dr. Anil Dewan delivered a visionary keynote on **Medical Architecture in India**, providing deep insights into hospital planning, green healthcare, and pandemic responsiveness.

Technical Sessions: Across 11 technical presentations, experts discussed cutting-edge topics ranging from **Digital Twin technologies** and **resilient healthcare frameworks** to **autonomous crack detection** using AI (CNN-YOLO).

Conclusion: A Vision for the Future

The National Conference successfully served as a vital platform for knowledge sharing and collaboration between academia and professional practice. It went beyond mere theoretical discussion to foster critical dialogue on the rapidly evolving needs of our built environment, emphasizing that the future of the industry lies at the intersection of innovation and community.

The two-day forum effectively addressed pressing global issues—including sustainability, inclusive development, smart technology integration, and urban resilience—providing a comprehensive roadmap for the next generation of architects and planners. As the event concluded with a reflective panel discussion and a vote of thanks by Ar. Toshi Dube, it left participants with a renewed commitment to bridging the gap between innovative design and sustainable implementation.

The graphic features the MBS College logo at the top right, which includes the text 'MBS COLLEGE' and 'Affiliated to GGSIPU and Approved by COA & AICTE'. The main title 'NATIONAL CONFERENCE 2025' is prominently displayed in blue and orange. Below this, a dark blue box contains the text 'ADVANCED ARCHITECTURAL AND PLANNING PRACTICES: BRIDGING INNOVATION, SUSTAINABILITY AND DESIGN' and 'Organised by MBS College'. To the right of this box is a circular portrait of Prof. Dr. Anil Dewan, with the text 'Keynote Speaker' below it. Further down, two orange boxes specify the dates and time: '11:30am - 4:00pm' and '10th & 11th July'. At the bottom left, there is a QR code with the text 'Scan the QR code to join'. On the bottom right, a dark blue box identifies 'Prof. Dr. Anil Dewan' as the 'Former Head, Department of Architecture, SPA New Delhi'.

Expert Lecture on “Enscape Masterclass”

MBS College successfully hosted a comprehensive **Enscape Masterclass and Student Certification Drive**, empowering students with industry-leading visualization skills. Led by specialists from **Chaos**, the intensive five-hour program offered a deep dive into advanced architectural rendering techniques. The session was strategically structured into two parts: a foundational two-hour workshop covering **Basics and Intermediate** functions, followed by a two-hour **Advanced** session. The day concluded with a rigorous one-hour assessment, allowing participants to earn an official **Chaos Enscape Certification**. This initiative significantly strengthens student portfolios and global employability by bridging the gap between academic design and professional-grade real-time rendering.

Expert Session On “AI & BlockChain”

MBS College hosted an insightful **Expert Session on AI & Blockchain**, specifically designed to equip **BBA and BCA students** with future-ready skills. The workshop featured **Mr. Kalyanjit Hatibaruah**, Managing Director & CEO of Flugelsoft, who shared his extensive industry expertise on cutting-edge technological innovations.

Held in the Seminar Hall, the session explored the transformative potential of Artificial Intelligence and Blockchain in today’s digital economy. Students engaged in discussions regarding emerging trends and the practical application of these technologies in the professional world. By hosting such high-level industry interactions, the college continues to bridge the gap between academic theory and the evolving demands of the global tech.

Hands-On Learning in the Landscape Elective

Students of the Landscape elective at MBS College took part in a **hands-on gardening** session on campus, where they learned the basics of soil preparation and planting.

They were taught how to mix garden soil with potting mix and organic manure, prepare pots for healthy plant growth, and then plant and water saplings such as the snake plant.

Working together in small groups, students got their hands in the soil and saw how theory turns into practice.

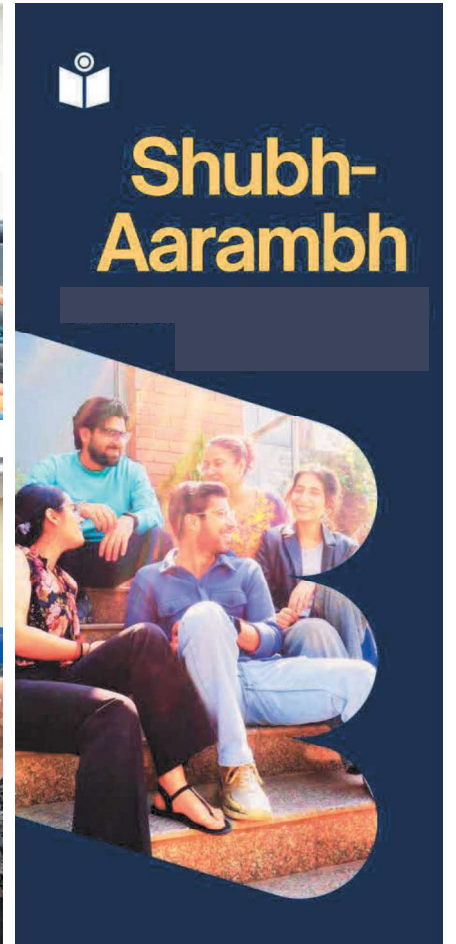

The session built practical skills and a deeper appreciation for green spaces and sustainable living, adding a fresh touch of greenery to the campus.

Personality Development Workshop

On 23rd September 2025, MBS College, in collaboration with DUCAT, Pitampura, organised a seminar on the **Personality Development Program (PDP)** for BBA and BCA students in the college Seminar Hall.

The session was led by **Mrs. Neeti Gupta**, Soft Skill Trainer, who spoke to students about communication skills, confidence building, professional etiquette, and presenting oneself effectively. Students, all dressed in formals for the occasion, took part with enthusiasm and gained practical tips to prepare for their academic and professional journeys.

Every participant received a digital certificate from DUCAT on completing the training. The college thanks Mrs. Neeti Gupta and DUCAT for an engaging and insightful session.

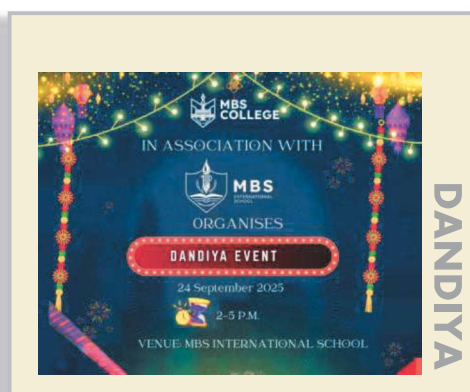

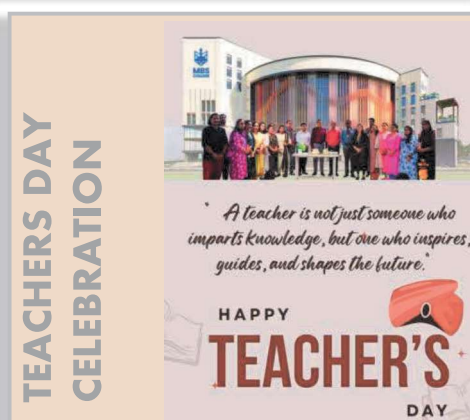

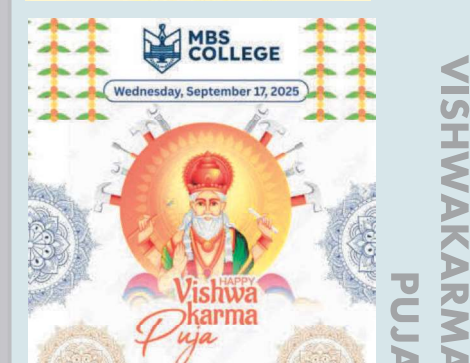

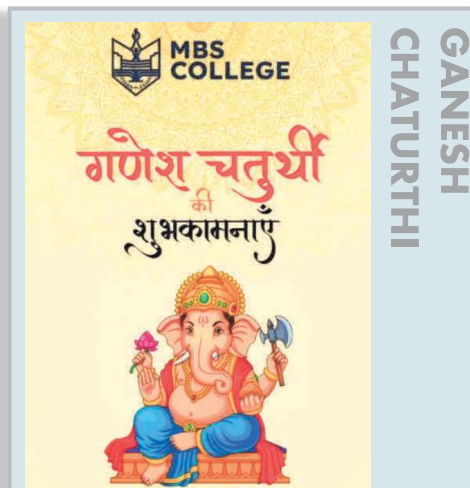

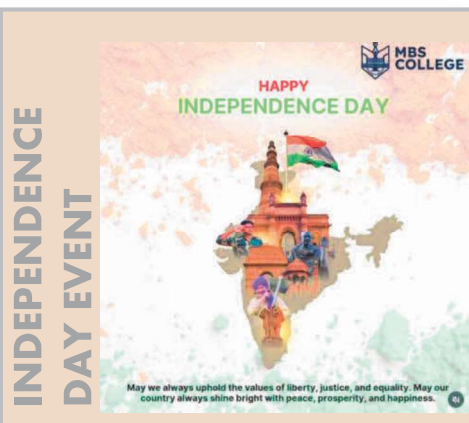

Orientation & Induction Programs:

Welcome Address and Ice Breaking Sessions

MBS College Embraces the Future: Multi-Disciplinary 'Shubh-Aarambh' Welcomes B.Arch, BBA, and BCA New Joiners

This August 2025, the MBS College campus buzzed with the energy of new beginnings as we hosted a series of comprehensive 'Shubh-Aarambh' Induction and Orientation sessions. Designed as a grand, multi-disciplinary welcome, the program successfully integrated the incoming 1st-year students from three diverse schools: Bachelor of Architecture (B.Arch), Bachelor of Business Administration (BBA), and Bachelor of Computer Applications (BCA). The objective was to forge a united foundation for our new joiners—collectively our future architects, business leaders, and tech pioneers—by instilling the core value that, while their technical curricula differ, they are all embarking on a single MBS journey towards 'Empowering Future-Ready Professionals.' The programs, held in a packed and eager Seminar Hall, were structured to give each cohort both institutional clarity and discipline-specific inspiration.

FRESHERS: AAGMAN 2025

Welcoming the New Horizons

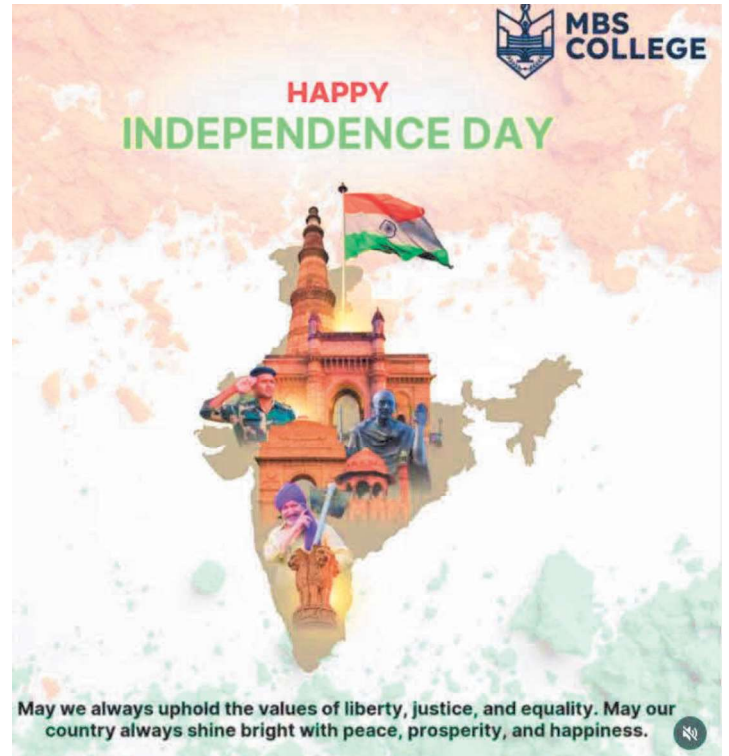

MBS College welcomed the incoming batch with a vibrant Freshers' Party, "AAGMAN 2025," on **September 20th**. The event, organized by the Cultural Committee, served as a grand introduction to college life, filled with energy and creative flair. The celebration commenced with a lamp-lighting ceremony by the Dignitaries, followed by a series of high-octane cultural performances including music, group dances, and solo acts.

INDEPENDENCE DAY EVENT

On **August 15, 2025**, MBS College marked India's Independence Day with a profound sense of patriotism and institutional pride. The campus was transformed into a vibrant display of the national colors, bringing together students, faculty, and staff to honor the spirit of freedom and the sacrifices of our nation's heroes.

The celebration centered on upholding the core values of **liberty, justice, and equality**. The event served as a reminder of our collective responsibility to contribute toward a country that shines bright with **peace, prosperity, and happiness**. The celebration concluded with a shared pledge to maintain the integrity of our democratic values while striving for academic and professional excellence in all our endeavors.

GANESH CHATURTHI

MBS School of Planning and Architecture celebrated Ganesh Chaturthi from **August 27 to 29, 2025**, emphasizing both cultural devotion and environmental sustainability. Coordinated by the Cultural Committee, the three-day event began with the installation of an eco-friendly Ganesh idol by the Honourable Chairman. Daily Aarti ceremonies, led by college dignitaries and joined by faculty and students, fostered a deep sense of collective harmony and reverence within the campus. The celebrations reached a grand conclusion on the final day with a spirited **Visarjan ceremony**. This immersion procession was enlivened by vibrant cultural performances and the rhythmic beats of traditional dhols. By integrating green practices with spiritual traditions, the event successfully engaged all stakeholders in a disciplined and meaningful celebration.

TEACHERS DAY CELEBRATION

MBS School of Planning and Architecture celebrated **Teacher's Day on September 5, 2025**, to honor the dedication of its faculty. Organized by the Cultural Committee, the event commenced with a lamp-lighting ceremony by the Honourable Chairman, Director, and Dean.

Students expressed their gratitude through a series of **vibrant cultural performances, including traditional dances and soulful musical acts**. A highlight of the celebration was the cake-cutting ceremony, symbolizing the strong bond between teachers and students. This harmonious event successfully recognized the pivotal role of educators in shaping future architects while fostering a spirited campus community.

VISHWAKARMA CELEBRATION

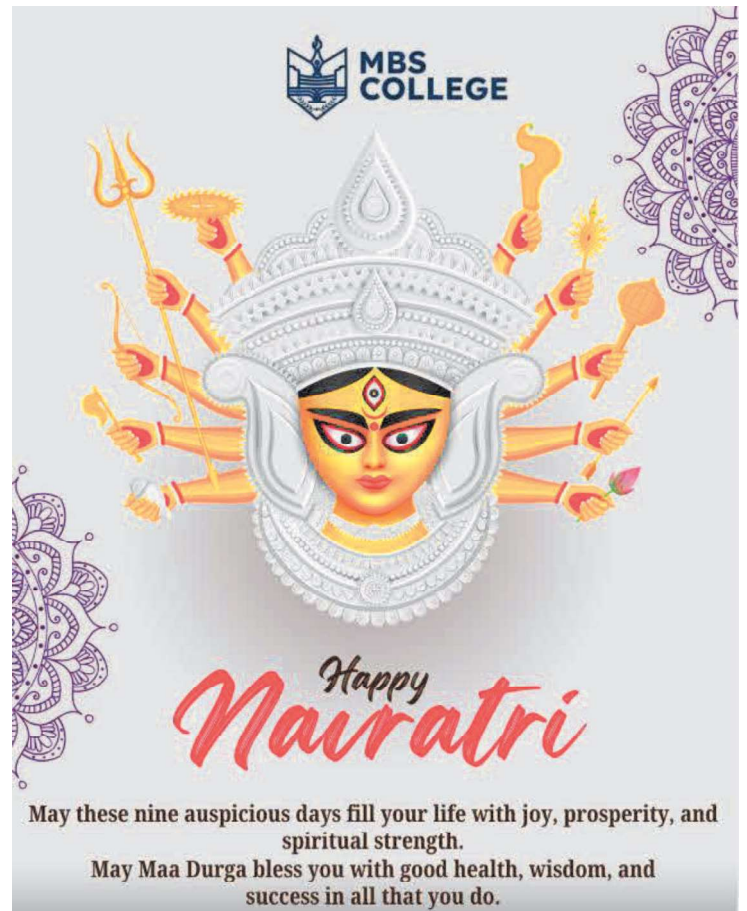

MBS School of Planning and Architecture observed **Vishwakarma Puja on September 17, 2025**, to honor the divine architect and craftsman. The celebration, organized by the Cultural Committee, was attended by the Honourable Chairman, Director, Dean, faculty, and students. The ceremony began with a traditional puja conducted with great reverence, seeking blessings for professional excellence and technical proficiency.

A significant highlight was the **worship of professional tools and equipment, symbolizing the community's respect for the instruments of their craft**. The college premises were beautifully decorated, creating a spiritual atmosphere that fostered collective participation and institutional harmony. The event concluded with the distribution of Prasad.

DANDIYA CELEBRATION

MBS School of Planning and Architecture celebrated **Dandiya 2025 on October 24th**, bringing together students and faculty for an evening of rhythmic dance and cultural splendor.

The celebration commenced with the lighting of the ceremonial lamp by the Dignitaries, followed by a series of energetic folk dance performances. Students and staff enthusiastically participated in the Dandiya Raas, moving in synchronized patterns to the beats of traditional dhols. **This joyous occasion** served as a wonderful platform for creative expression and community bonding, reflecting the institution's commitment to preserving cultural heritage within a spirited academic environment.

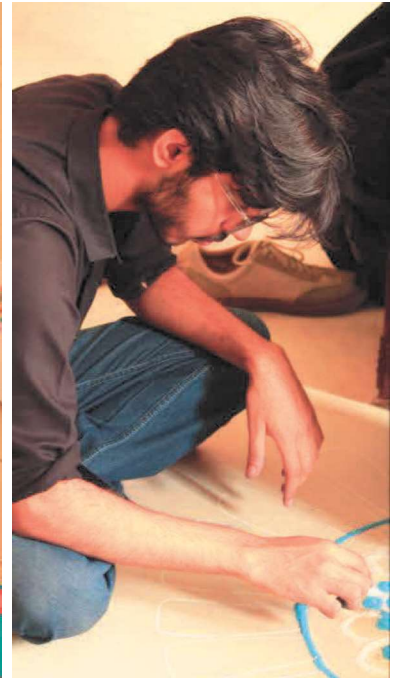

DIWALI CELEBRATION

MBS School of Planning and Architecture celebrated Diwali on **October 30, 2025**, with a vibrant event that balanced festive tradition and creative expression. Organized by the Cultural Committee, the celebration commenced with a lamp-lighting ceremony by the Dignitaries.

The campus was transformed by intricate rangoli designs and traditional decorations, reflecting the **architectural spirit of the students**. The festivities featured a **diverse range of cultural performances, including music and dance**, which showcased the immense talent within the student body. This joyous occasion fostered a strong sense of community and harmony among faculty and students alike. The event concluded with the distribution of sweets, leaving the campus filled with light and collective festive cheer.

Highlights from Our Departmental Competitions

Illuminating Creativity 2025:

Unleashing Architectural Creativity

1. Canvas Rangoli Exhibition & Competition

Exclusively for our **B.Arch 1st Year students**, this event redefined traditional floor art by bringing it onto the canvas. Under the expert guidance of **Artist Jagmohan Bangani**, students submitted their final works to Ar. Toshi Dube by October 15. The resulting exhibition, which opened on **October 17** in the Seminar Hall, displayed an extraordinary fusion of traditional motifs and contemporary artistic techniques.

MBS COLLEGE

Canvas Rangoli Exhibition and Competition

Attention B.Arch 1st Year Students!
Participate in the Canvas Rangoli Competition & Exhibition On the occasion of Diwali

📅 Date: 17th October 2025
🕒 Exhibition Opens: 1:00 PM
📍 Venue: Seminar Hall

Submit your final canvas work to Ar. Toshi Dube by 15th October, 4:30 PM.
Attach a coloured sheet with names and section along with your work.

Certificates for the Best Three Entries!
Bring your creativity to life and celebrate the festive spirit.

MBS COLLEGE

INNOVATIVE RANGOLI COMPETITION

Attention
B.Arch 4th Year Students!
BBA 1st and 2nd Year Students
BCA 1st Year Students

Participate in the Rangoli Competition On the occasion of Diwali

📅 Date: 17th October 2025
🕒 Time: 10:am to 1:00 pm
📍 Venue: College Premises (Atrium and Entry Area)
Max Group of 3 to 5

Submit your names in the shared sheet via mail by 15th October, 4:30 PM.

Certificates for the Best Three Entries!
Note- You will get basic rangoli colours. It is Recommended to bring creative decoration (Diya, glitters etc.) stuff for an innovative Rangoli design

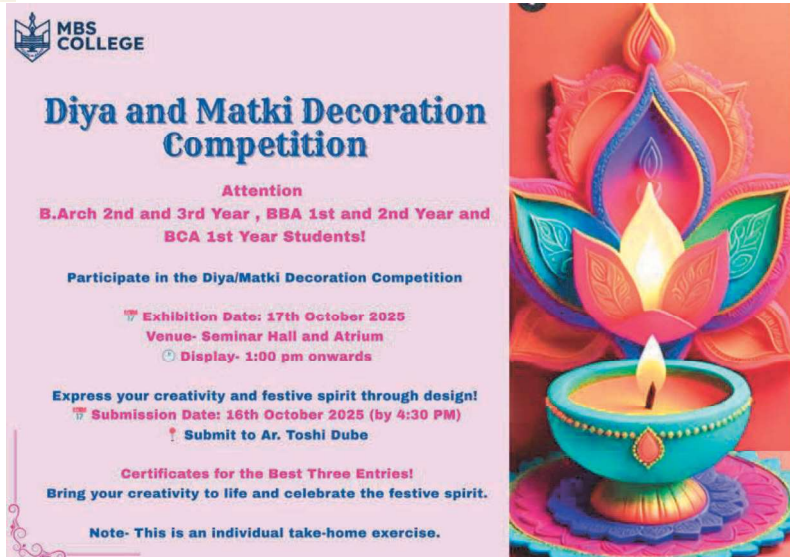

2. Innovative Rangoli Competition

The college atrium and entry area became a kaleidoscope of color during the **Innovative Rangoli Competition** on October 17. Teams of 3 to 5 students from **B.Arch 4th Year, BBA 1st & 2nd Year, and BCA 1st Year** competed to create the most unique designs. Participants were encouraged to go beyond basic powders, incorporating glitters, diyas, and other decorative elements to bring their visions to life.

3. Diya & Matki Decoration Competition

Bringing the festive spirit into the details, students from **B.Arch 2nd & 3rd Year, BBA 1st & 2nd Year, and BCA 1st Year** participated in a dedicated decoration challenge. As an individual take-home exercise, students meticulously adorned diyas and matkis, which were submitted by October 16 and later displayed throughout the **Seminar Hall and Atrium** on the day of the festival.

MBS COLLEGE

Diya and Matki Decoration Competition

Attention
B.Arch 2nd and 3rd Year, BBA 1st and 2nd Year and BCA 1st Year Students!

Participate in the Diya/Matki Decoration Competition

📅 Exhibition Date: 17th October 2025
📍 Venue- Seminar Hall and Atrium
🕒 Display- 1:00 pm onwards

Express your creativity and festive spirit through design!
📅 Submission Date: 16th October 2025 (by 4:30 PM)
📍 Submit to Ar. Toshi Dube

Certificates for the Best Three Entries!
Bring your creativity to life and celebrate the festive spirit.

Note- This is an individual take-home exercise.

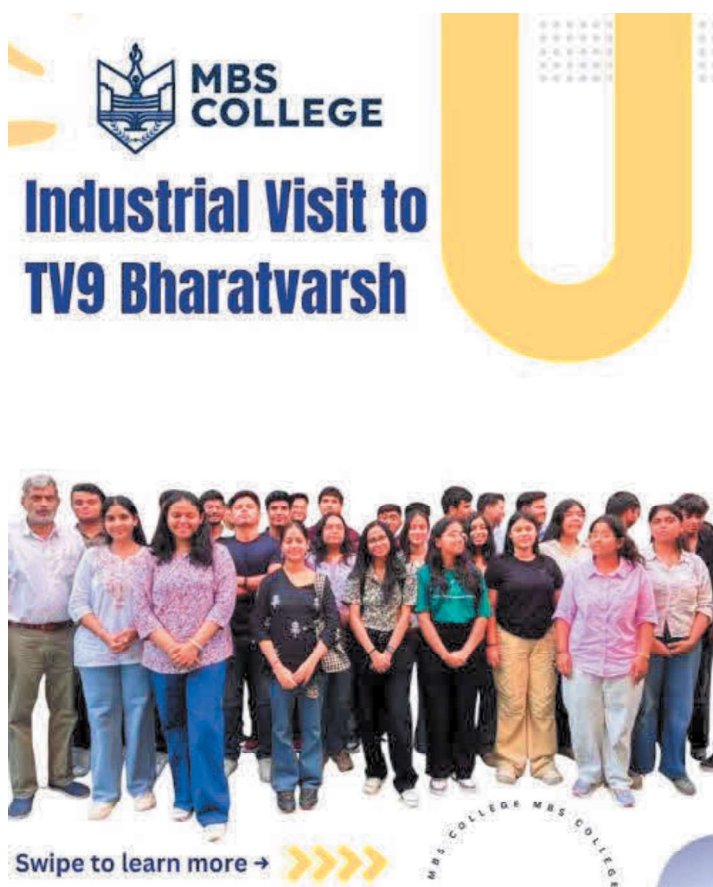

Cultivating Expertise Through Practical Exposure

INDUSTRIAL VISIT – TV9 BHARATVARSH

On 20th August 2025, students of MBS College visited TV9 Bharatvarsh, one of India's leading Hindi news channels, at Film City, Noida. The visit gave students a first-hand look at how a live newsroom functions, from the studio floor and camera setups to the production control room and editorial processes.

Students observed live studio operations, interacted with media professionals, and learned how news is researched, produced, and broadcast in real time. The experience helped bridge classroom learning with real-world industry practice, offering valuable insights into careers in journalism and media. The visit was a true example of *learning beyond classrooms*, and the college thanks TV9 Bharatvarsh for its warm hospitality.

INDUSTRIAL TRAINING – DUCAT (AI)

MBS College, in collaboration with DUCAT – The IT Training School, organised an Industrial Training programme in August 2025 at DUCAT's Vikaspuri centre in New Delhi. BBA students received hands-on training in **Data Analytics**, while BCA students explored **Generative AI**.

Led by industry experts, the sessions introduced students to practical tools, real-world applications, and current trends in these fast-growing fields. The training strengthened their technical skills and prepared them for the evolving demands of the industry.

The college thanks DUCAT for this enriching learning experience.

INDUSTRIAL VISIT – YAKULT, SONEPATH

On 11th October 2025, the Training & Placement Cell of the School of Management and School of Computer Applications at MBS College organised an industrial visit to the **Yakult plant in Sonapat** for first-year BBA and BCA students.

Students saw how a leading probiotic health drink is manufactured, from production and quality control to hygienic packaging. The visit introduced them to large-scale operations, food safety standards, and supply chain management in a real industrial setting. The visit was coordinated by faculty members Prof. Dr. Garima Saini and Prof. Dr. Paramveer Singh, with student coordinators Aanya Saxena (BBA) and Shrishti Bhandari (BCA). The college thanks Yakult for its warm hospitality and an insightful learning experience.

MBS STUDENTS AT AARAMBH 2025 – COUNCIL OF ARCHITECTURE

Students of MBS College took part in **Aarambh 2025**, an architecture outreach event organised by the **Council of Architecture (CoA)**, Ministry of Education, Government of India, at Jaipur House, New Delhi. Held under the theme *"Welcome to the World of Architecture,"* the event introduced school students to architecture as a creative and rewarding career. MBS College students actively participated in the exhibition and interactive sessions, showcasing their work and engaging with young visitors, faculty, and professionals from across the field. The experience gave our students valuable exposure, a platform to share their ideas, and a chance to connect with the wider architectural community.

"Stand with the Farmers, Stand with Punjab"

**They Give Us Food,
Let's Give Them Hope**

"The MBS college family – students and staff – stand united to extend a helping hand to our farmers in this hour of need."

"Contribute Now"

Stand with the Farmers, Stand with Punjab

When devastating floods struck Punjab in 2025, leaving farming families without homes, crops, and livelihoods, the MBS College family came together to help. Under the message

"They Give Us Food, Let's Give Them Hope," the college launched a

flood relief donation drive for the affected farmers.

Students, faculty, and staff contributed generously through donation boxes and QR-code payments set up on campus. The drive was a heartfelt reminder that those who feed the nation deserve our support in their hour of need.

MBS College thanks everyone who contributed and stood in solidarity with the people of Punjab.
