

“ADVANCED ARCHITECTURAL AND PLANNING PRACTICES: BRIDGING INNOVATION SUSTAINABILITY AND DESIGN”
DATE- JULY 10TH AND 11TH 2025 | 11:30 AM TO 4:00 PM | JOINING LINK- [HTTPS://MEET.GOOGLE.COM/ZKO-JMZU-PAQ](https://meet.google.com/ZKO-JMZU-PAQ)
SUB THEMES:

 Innovative
Architectural Designs
and Practices

 Sustainable
Architecture:
Principles and Practices

 Urban Planning for
Sustainable Cities

 The Role of Technology in
Architectural Design and
Planning

 Circular Economy and
Environmental Impact in
Architectural Design

 Human-Centred Design:
Integrating Culture, Community,
and Architecture

 Policy, Governance, and Regulatory
Frameworks in Architecture
and Urban Planning

 Architectural Conservation and
Sustainability, Innovation in
architectural pedagogy

KEYNOTE SPEAKER
Prof. Dr. Anil Dewan

Prof. Dr. Anil Dewan is a seasoned architect and academician with 34+ years of experience. He holds a B.Arch from SPA New Delhi (1982), a Master's in Building Engineering and Management from SPA New Delhi (2003), and a Ph.D. in Hospital Standards from SPA New Delhi (2012). He has served as a professor and head of the School of Planning and Architecture in India. Notably, he contributed to the ARPIT SWAYAM MOOC on Emerging Areas in Hospital Design and Management. His expertise and experience make him a respected figure in architecture and academia. With a strong academic background and extensive experience, Dr. Dewan continues to inspire and shape the next generation of architects. His work has had a lasting impact on the field of hospital design and management.

TOPIC: OVERVIEW OF EMERGING MEDICAL ARCHITECTURE IN INDIAN CONTEXT
ORGANIZING TEAM
Convenor
Prof. Bijay Dash
Director
MBS College

Advisor
Prof. V.K. Bugga
Professor
MBS College

Coordinator
Ar. Toshi Dube
Associate Professor,
MBS College
ar.toshi@mbsarchitecture.org.in
Online Coordinators
Ar. Shubhi Khare
Assistant Professor
MBS College
ar.shubhi@mbsarchitecture.org.in
Ar. Kriteeka Sharma
Assistant Professor,
MBS College
ar.kriteeka@mbsarchitecture.org.in
PLENARY SPEAKERS

Join us for a national online conference featuring thought leaders, researchers, professionals, and academicians as they share insights on integrating innovation, sustainability, and design in architecture and urban planning.

10th July 2025

Ar. Priyansh Bugga
Transition spaces and edges in landscape Architecture

Ar. Kapil Prabhat Verma
Review of Building Materials used to improve the life of existing concrete structures decayed due to dampness

Ar. Meghna Vij
Computational Design Evolution: Applications of simulation and digital twin technologies in architecture

Ar. Daksha Deshmukh
Sustainable project management in Architectural Practice
11th July 2025

Miss Manya Aggarwal
DeepCrack vision: Real time structural integrity assessment through CNN-YOLO hybrid framework for autonomous crack detection in aging infrastructure

Ar. Asma Hamid
Shaping experience and behavior: The impact of Streetscape elements on user perception and consumer engagement in commercial streets of Delhi

Ar. Meenakshi Pawar
PPP model projects in Haryana: Viability and the role of government

Ar. Sangita Mohanty
Smart and sustainable cities: Theoretical framework

Ar. Heera Krishnamurthy
Streets of belonging: Reimagining the market space of Malleshwaram through human centered design

Ar. Masoom Ahmed
Assessment of Socio-Economic Development of Women in Affordable Housing- A case of Udaipur

MBS College, Sector-9, Dwarka, New Delhi - 110077 (Affiliated to GGSIPU and approved by CoA & AICTE)

NATIONAL CONFERENCE-2025

10th and 11th July 2025

Advanced Architectural and Planning

Practices: Bridging innovation, sustainability and design

The rapid evolution of architecture and urban planning presents new opportunities to integrate cutting-edge design, sustainable practices, and innovative technologies. In the wake of these advancements, it is essential to explore how these concepts intersect and shape the future of built environments. This online national conference invites thought leaders, researchers, professionals, and academics to share their insights on the integration of innovation, sustainability, and design within the field of architecture and urban planning.

Sub Themes:

- Innovative Architectural Designs and Practices
- Sustainable Architecture: Principles and Practices
- Urban Planning for Sustainable Cities
- The Role of Technology in Architectural Design and Planning
- Circular Economy and Environmental Impact in Architectural Design
- Human-Centred Design: Integrating Culture, Community, and Architecture
- Policy, Governance, and Regulatory Frameworks in Architecture and Urban Planning
- Architectural Conservation and Sustainability
- Innovation in architectural pedagogy
- Others

CALL FOR PAPERS

Convenor

Prof. Bijay Dash
Director, MBS SPA

Advisor

Prof.V.K Bugga
Professor, MBS SPA

Coordinator

Ar. Toshi Dube
Associate Prof.

NATIONAL CONFERENCE-2025

10th and 11th July 2025

Advanced Architectural and Planning

Practices: Bridging innovation, sustainability and design

Submission Guidelines- We invite abstract submissions (300–500 words) in a .doc file format, using Times New Roman, 12pt font, and single line spacing. Include the full name(s) and valid email address(es) of the author(s). Abstract should clearly state the title and outline your research or paper's focus in relation to the subtopics listed above. Authors of accepted abstracts will be invited to submit full papers, which will be peer-reviewed for publication in the conference proceedings.

Please submit your abstract to contact@mbsarchitecture.org.in with the subject line "Abstract Submission for AAPP – [Your Paper Title]". Ensure that your abstract includes your full name, affiliation, and contact information.

NOTE- The formatting guidelines and other details for paper submission will be shared with the authors of accepted abstracts at a later stage.

Important Dates

- Abstract Submission deadline- April 25, 2025
- Abstract Acceptance Notification-May 26, 2025
- Full Paper Submission deadline-June 16, 2025
- Full-Paper Acceptance Notification-June 23, 2025
- Conference Date- July 10 and 11, 2025

Event Report

Academic- Co Curricular Committee

Date	July 10–11, 2025
Type of event	National Conference
Topic	Advanced Architectural and Planning Practices- Bridging innovation sustainability and design
Time	11:30 am to 4:00 pm
Venue	Online- Google Meet

Background

The two-day **National Conference on Innovative Architectural Designs and Planning Practices** was organized by MBS College to bring together eminent academicians, architects, planners, researchers, and students from across India. The event aimed to foster dialogue and knowledge exchange on the themes of sustainability, innovation, and technological advancements in architecture and urban planning.

Conference Themes

- Innovative Architectural Designs and Practices
- Sustainable Architecture: Principles and Practices
- Urban Planning for Sustainable Cities
- The Role of Technology in Architectural Design and Planning
- Circular Economy and Environmental Impact
- Human-Centred Design and Cultural Integration
- Policy, Governance, and Regulatory Frameworks
- Architectural Conservation and Pedagogical Innovation

Conference Overview

The two-day national online conference brought together architects, urban planners, researchers, faculty, students, and policy influencers to explore progressive ideas in architecture and planning. The forum addressed pressing issues around sustainability, inclusive development, smart technology integration, and medical and urban resilience through 11 technical sessions, 1 keynote address, and a concluding panel discussion.

Affiliated to GGSIPU and approved by COA & AICTE

Organizing Committee

- **Advisor:** Prof. V.K. Bugga (Advisor and Former Director, MBS College)
- **Convenor:** Prof. Bijay Dash (Director, MBS College)
- **Coordinator:** Ar. Toshi Dube (Associate Professor, MBS College)
- **Organizing Team:**
 - Ar. Shubhi Khare
 - Ar. Kriteeka Sharma
 - Ar. Divesh

Comperes: Prof. Alpana Rohatgi, Ar. Toshi Dube

DAY 1: Thursday, July 10, 2025

Inauguration

The conference commenced with a warm welcome by the hosts and a symbolic lamp-lighting ceremony. Prof. V.K. Bugga delivered an inspiring opening address followed by welcome remarks from Director Prof. Bijay Dash.

Keynote Address

Speaker: Prof. Dr. Anil Dewan

Topic: *Overview of Medical Architecture in the Indian Context*

Dr. Dewan delivered a detailed and visionary address on hospital planning and design in India, touching on classifications, policies (URDPFI, IPHS, NABH), green healthcare practices, safety, typologies, and pandemic responsiveness.

Plenary Sessions

Speaker: Ar. Priyamvada Bugga

Topic: *Transition Spaces and Edges in Landscape Architecture*

Speaker: Er. Kapil Prabhat Verma

Topic: *Review of Building Materials for Structural Dampness Control*

Speaker: Ar. Meghna Vij

Topic: *Applications of Simulation & Digital Twin Technologies in Hospital Design*

MBS College
PSP Area, Dwarka Sector- 9, New Delhi- 110077
Affiliated to GGSIPU and approved by COA & AICTE

Speaker: Shreya Singhal

Topic: *Architectural response to urban context: Traditional integration vs contemporary contrast in Chawri Bazar Old Delhi*

Speaker: Ar. Mohd. Arqam Khan

Topic: *Frameworks for Resilient Healthcare Architecture in India*

Closing for Day 1

Prof. Alpana Rohatgi concluded the day by expressing gratitude to all plenary speakers and participants, reflecting on the themes of sustainability, inclusivity, and future-forward planning.

DAY 2: Friday, July 11, 2025

Welcome & Overview

The day began with a recap of Day 1 and set the stage for an exploration of interdisciplinary approaches in urban and architectural sustainability.

Plenary Sessions

Speaker: Miss Manya Agarwal

Topic: *Deep crack Vision: Real time structural integrity assessment through CNN-YOLO hybrid framework for autonomous crack detection in aging infrastructure.*

Speaker: Ar. Asma Hamid

Topic: *User Perception in Delhi's Commercial Streetscapes*

Speaker: Dr. Meenakshi Pawar

Topic: *PPP Models in Haryana and Smart Cities Planning*

Speaker: Ar. Sangita Mohanty

Topic: *Smart and Sustainable Cities: A Theoretical Framework*

Speaker: Ar. Heera Krishnamurthy

Topic: *Streets of Belonging: Human-Centered Market Design in Malleshwaram*

Speaker: Ar. Masoom Ahmed

Topic: *Gender, Housing, and Socioeconomic Dynamics in Urban Settlements*

MBS College
PSP Area, Dwarka Sector- 9, New Delhi- 110077
Affiliated to GGSIPU and approved by COA & AICTE

Panel Discussion and Closing

The conference concluded with a reflective panel discussion followed by **Closing Remarks and Vote of Thanks** by **Ar. Toshi Dube**. She acknowledged all speakers, panelists, participants, student volunteers, and the organizing team for making the event a success.

Key Highlights

- 1 Keynote Address
- 11 Technical Presentations by Experts and Emerging Scholars
- Cross-disciplinary Topics: Hospital Design, Smart Cities, Streetscapes, Affordable Housing, Sustainability
- Deep emphasis on regulatory frameworks, real-time technologies (CNN-YOLO), and human-centered approaches

Conclusion

The National Conference successfully served as a platform for knowledge sharing and collaboration among academia and practice. It not only fostered critical dialogue on the evolving needs of the built environment but also celebrated the role of innovation and community in architecture and urban planning.

NATIONAL CONFERENCE (Online)
"ADVANCED ARCHITECTURAL AND PLANNING PRACTICES: BRIDGING INNOVATION SUSTAINABILITY AND DESIGN"
DATE: JULY 10TH AND 11TH 2025 | 11:30 AM TO 4:00 PM | JOINING LINK- [HTTPS://MEET.GOOGLE.COM/ZKO-JMZU-PAQ](https://meet.google.com/zko-jmzu-paq)

SUB THEMES:
Innovative Architectural Designs and Practices | Sustainable Architecture | Urban Planning and Smart City Development | The Role of Technology in Architectural Design and Planning | Circular Economy and Environmental Impact in Architectural Design | Human-Centred Design: Integrating User Experience, Community, and Architecture | Policy, Governance, and Regulatory Frameworks in Architecture and Urban Planning | Architectural Conservation and Sustainable Transition in Architectural Heritage

KEYNOTE SPEAKER: Prof. Dr. Anil Datta
Prof. Dr. Anil Datta is a renowned architect and urbanist with 40 years of experience. He holds a B.Arch from IIT Bombay (1982), a Master's in Planning, Designing and Development from IIT Bombay (1985), and a Ph.D. in Planning from IIT Bombay (1990). He has been a professor and head of the School of Planning and Architecture in Delhi. He is also a member of the IIT Bombay Board of Governors. He has been a keynote speaker at various international conferences and has published numerous research papers and books on urban planning and architecture.

PLENARY SPEAKERS:
10th July 2025
11th July 2025

ORGANIZING TEAM:
Coordinator: Prof. Anil Datta (MBS College)
Chairman: Prof. V.K. Bhatia (MBS College)
Chairperson: Ar. Toshi Dube (MBS College)
Online Coordinators: Ar. Shubhi Khare (MBS College), Ar. Kirtika Sharma (MBS College)

Specifications
Typological Analysis:
• Linear transitions (e.g., paths, promenades)
• Nodal transitions (e.g., plazas, courtyards)
• Layered edges (e.g., riparian buffers, forest margins)
Edge Conditions:
• Hard vs. Soft edges (built walls vs. planted transitions)
• Visible vs. Invisible transitions (fenced vs. implied space shifts)
• Active vs. Passive use (market zones vs. contemplative paths)
Design Metrics:
• Ecological: Biodiversity support, water management, climate regulation
• Social: Accessibility, inclusiveness, comfort, place attachment
• Aesthetic: Sensory layering, visual rhythm, cultural symbolism

Report By

Ar. Toshi Dube
(Associate Professor, MBS College)
