A Glimpse of the Event

Objectives:

To encourage creativity, imagination and artistic expression among students while developing an appreciation for Indian traditions and cultural heritage. The activity also aimed to promote patience, fine motor skills, aesthetic sense and the spirit of participation among students.

Theme: "Goodness Has Many Forms"

An Inter-House Display Board Making Activity was organised at MBS International School on the theme **"Goodness Has Many Forms"** to encourage students to express the values of kindness, empathy, compassion, respect, generosity, and helpfulness through their creativity.

Students from different houses participated enthusiastically and designed attractive, colourful, and meaningful display boards highlighting how goodness can be expressed through small acts of kindness in everyday life. Their creative presentations conveyed the message that goodness is not limited to grand gestures but is reflected in simple actions such as helping others, respecting elders, caring for the environment, sharing with those in need, and standing up for what is right.

The activity provided students with an opportunity to showcase their artistic talents, develop teamwork, and strengthen their understanding of moral values. The display boards reflected the students' imagination, collaborative spirit, and sensitivity towards social and human values.

The activity concluded on an inspiring note, reinforcing the idea that **goodness has many forms, and every act of kindness has the power to make the world a better place.**
