LITTLE ATHLETES, BIG ENERGY!

EVENT: Gross Motor Skills Training Session
DATE: 13 October 2026
CONDUCTED FOR: Class 2C

The students of Class II-C participated enthusiastically in a gross motor skills training session and an exciting relay race. Through these fun-filled activities, they developed their coordination, balance, and agility while learning the importance of teamwork and cooperation. The session encouraged physical fitness, active participation, and sportsmanship, making learning an enjoyable experience for everyone.
