CHUPPI TODO – EMPOWERING YOUNG MINDS TO SPEAK UP

EVENT: Bullying and Self-Safeguarding – Counselling Session
DATE: 12 October 2026
CONDUCTED FOR: Class 3

As part of the **Anti-Bullying Campaign**, a counselling session was conducted for Classes III A, B and C on 12 October 2026 on the theme *"Bullying and Self-Safeguarding."* Students watched the short film *Chuppi Todo*, produced by UNESCO New Delhi in collaboration with CBSE.

The session sensitised students to different forms of bullying and their impact on mental well-being and academic performance. It encouraged them to speak up, seek help from trusted adults, and treat their peers with kindness and respect. The initiative reinforced the importance of creating a safe, inclusive, and bully-free school environment.
