# THINK GREEN, ACT GREEN!

**ACTIVITY: Green Detectives – Taking Steps Towards Sustainability**
**DATE: 12 October 2026**
**CONDUCTED BY: Class 7 Eco Club**

The Eco Club of Class VII conducted an engaging activity titled *"Green Detectives"*, encouraging students to become mindful observers of their school environment. Using an environmental checklist, students identified issues such as the wastage of water, electricity, and paper. They also shared innovative and practical suggestions to promote eco-friendly habits and make the school more sustainable.

The activity fostered **environmental awareness, critical thinking, and problem-solving skills**, helping students understand the importance of conserving natural resources and taking responsibility for a greener future.
