CLASS ACTIVITY REPORT

SESSION: 2026–2027

Name of the Activity: IT Quiz – A Celebration of Technology and Digital Awareness

Day & Date: 21 October 2026

Class: VI

Teacher In-charge: Ms. Kumari Shalini

Activity In-charge: Ms. Mahak Kumari

Objectives: To enable the learners to

- Strengthen their understanding of basic Information Technology concepts.
- Recognise technology company logos and identify common digital devices.
- Develop awareness of internet safety, responsible online behaviour, and cyber safety.
- Enhance logical thinking, quick recall, teamwork, and communication skills.
- Encourage curiosity about technology through an engaging, interactive learning experience.

"Technology is best learned when curiosity, collaboration, and creativity come together."

A Glimpse of the Event

An engaging IT Quiz was organised for the students of Class VI to strengthen their understanding of technology and promote digital awareness. The activity was conducted in the classrooms in a technology-integrated format, creating an enjoyable and interactive learning environment.

Students participated in teams of four, encouraging collaboration, quick thinking, and healthy competition. The quiz featured five exciting rounds: Tech Titans, focusing on basic IT concepts; Logo Quest, in which students identified company logos; Cyber Smart, highlighting internet safety; Guess the Gadget, where devices were identified through clues; and Rapid Fire, testing students' quick recall of technology-related facts.

The interactive panel was used to display visuals, short videos, and live polls, making the quiz lively and engaging. Students were encouraged to discuss answers within their teams, apply their knowledge, and make thoughtful decisions, particularly in questions related to safe and responsible online behaviour.

The activity aimed to enhance students' digital awareness, logical thinking, and curiosity about technology while strengthening teamwork and communication skills. The quiz provided a fun and competitive platform for learners to explore IT concepts and understand the importance of using technology safely and responsibly.

S.No.	Students Name	Class & Sec	Position
1.	Akshit, Bhanu, Kumar, Aayush	VI A	Ist
2.	Parv Maheshwari, Vivaan Kumar, Advik, Yuvraj Talwar	VI B	Ist
3.	Aditya, Jishnu, Mahi, Turvi	VI C	Ist
4.	Amrit, Naira, Manvi, Fariha	VI D	Ist
5.	Umang, Sahib, Mrigank, Jyanshu	VI E	Ist
6.	Divisha Verma, Chhavi Vishwakarma, Aendri Bisaria, Vernika Mishra, Lavishka Sharma	VI F	Ist
