A Glimpse of the Event

The Famous Scientists Quiz for Grade VII was successfully conducted on Wednesday, 21 October 2026, within the vibrant learning environment of MBS International School. Organized as an interactive and brain-stimulating competition, the activity was designed to ignite scientific curiosity and deepen students' appreciation for legendary innovators and their world-changing discoveries.

Students participated enthusiastically in small teams, navigating two dynamic and multi-faceted rounds: Guess the scientist, one-word answers and picture identification. Utilizing rich visual slides, clue cards, and short fact hints, the quiz encouraged quick reasoning, strategic deduction, and seamless team collaboration.

The session concluded with an inspiring reflective discussion on how perseverance, keen observation, and questioning drive scientific success. Through these interactive rounds, students extended their knowledge beyond textbook learning and built a profound appreciation for scientific endeavor.
