A PINCH OF SCIENCE, A DASH OF DISCOVERY!

EVENT: Science in the Kitchen – Class Assembly
DATE: 21 October 2026
CONDUCTED BY: Class 6B

On 21 October 2026, Class VI-B conducted an engaging morning assembly on the theme *"Science in the Kitchen"*. The assembly highlighted how scientific concepts are connected to everyday kitchen activities and cooking processes.

It encouraged students to observe, question, and explore the science behind common ingredients and cooking methods, demonstrating that science is not limited to laboratories but is an integral part of our daily lives. The assembly fostered curiosity and reinforced the importance of learning through real-life experiences.
