A Glimpse of the Event

"***Our rich and varied cultural heritage has a profound power to help build our nation.***"

Theme: Humari dharohar: Bharat(Heritage of India)

The Ek Bharat Shreshtha Bharat Club organised an enriching and culturally vibrant **Poem Recitation Activity on the theme "Heritage of India" for the students of Grade XI**. The activity aimed to sensitise students towards India's rich cultural legacy and foster a sense of pride, respect and belongingness towards the nation's diverse heritage.

The students participated enthusiastically and presented a variety of poems celebrating India's glorious past, timeless traditions, cultural diversity, historical monuments, great personalities, folk traditions and spiritual values. Through expressive recitation, appropriate voice modulation and confident presentation, they brought alive the beauty and grandeur of India's cultural heritage.

The poems beautifully reflected the contributions of India's ancient civilisation, its architectural marvels, diverse languages, traditional art forms, festivals and literary treasures. Some students highlighted the valour and sacrifices of great national heroes, while others beautifully expressed the essence of India's unity in diversity, highlighting how different cultures, customs and traditions together form the foundation of our national identity.

The activity provided students with an excellent platform to enhance their communication skills, pronunciation, confidence and appreciation of poetry. It also encouraged them to explore India's historical and cultural roots and understand the importance of preserving and passing on this invaluable heritage to future generations.

The enthusiastic participation and heartfelt performances made the activity a memorable learning experience. It successfully reinforced the spirit of *Ek Bharat Shreshtha Bharat* by reminding students that India's heritage is not merely a reflection of its glorious past but also a guiding force for its future. The activity concluded with the inspiring message that **our heritage is our identity, our diversity is our strength, and our unity is our pride.**
