CCD CAREER FAIR REPORT

SESSION: 2026–2027
GRADES: X, XI & XII

Date	**22 October 2026**
Venue	School Auditorium
Organised by	Centre for Career Development (CCD), in collaboration with JMIS, Dwarka

Content:

A Career Fair was organised by the Centre for Career Development (CCD) at JM International School, Dwarka, on 22 October 2026 to familiarise students with a wide range of higher-education options and career pathways. Participating institutions and organisations included SRM, ICB, EDlearn, SGT, IISD and others. Their representatives shared information about courses, admission processes, eligibility requirements, and future opportunities.

Students interacted with the representatives, explored different academic and professional choices, and sought guidance relevant to their interests and aspirations. The fair provided a valuable platform for career exploration and supported students in making more informed decisions about their future studies.
