LIGHTING LIVES WITH KINDNESS

ACTIVITY: Value Education Writing - Spreading Happiness This Diwali
DATE: 6 November 2026
CONDUCTED BY: Class 7B

Students of Class VII-B participated in an engaging Value Education Activity centred on the thought *"This Diwali, I will spread happiness by…"*. Through their written reflections, students shared meaningful ways of bringing joy to others through kindness, gratitude, sharing and thoughtful gestures.

The activity encouraged learners to reflect on the true spirit of Diwali and understand that the festival is not just about lighting lamps but also about spreading positivity, compassion and happiness in the lives of others.
