CELEBRATING THE POWER OF HUMAN INGENUITY

EVENT: Inventions That Changed the World – Class Assembly
DATE: 4 November 2026
CONDUCTED BY: Class 7A

Class VII-A presented an inspiring morning assembly on the theme *"Important Inventions That Changed the World."* Through their presentation, students highlighted how remarkable inventions have transformed everyday life, advanced technology and made the world more connected and convenient.

The assembly celebrated human creativity, curiosity and innovation, encouraging students to appreciate the contributions of great inventors and recognise the power of ideas in shaping the future.
