FESTIVITIES WITH A GREEN TOUCH

EVENT: Eco-Friendly Festivals – Celebrating with Health and Happiness
DATE: 5 November 2026
CONDUCTED BY: Class 9A

Class IX-A presented an informative morning assembly on the theme *"Eco-Friendly Festivals – Fun with Health"*. The assembly highlighted the importance of adopting healthy and environmentally responsible practices while celebrating festivals.

Students emphasised the need to avoid plastic, reduce pollution, use natural decorations and choose healthy festive foods. The presentation conveyed a meaningful message about celebrating responsibly while caring for our health and protecting the environment. It encouraged everyone to make sustainable choices and contribute towards a greener future.
