

## **INSTRUCTIONS**

Dear Parents,

Please go through the Year book regularly to know the exam and activity schedules. The holiday list is also given on the last page.

Changes, if any, are intimated through Shaurya.

1. Please go through all the rules and regulations in the School Almanac.
2. Please motivate your child to come to school regularly and on time.
3. Regular Parent-Teacher Meetings are held during the academic session. Parents should make it a point to meet all the teachers teaching their child on that day.

## EXAMINATION SCHEDULE

**Nursery and K.G.** – The children have 2 formal tests. They are also evaluated regularly on the basis of their class performance on assessment sheets. Report Cards are shown to parents twice a year, i.e., in October and March.

## **EXAMINATIONS**

**Class VI to VIII** – Periodic Tests are conducted as per the Examination Schedule given in the year book and a Half-Yearly examination in September/October, based on the course covered. Final examinations are held in February/March. Regularity in attendance during all tests is imperative. There is no provision of a retest.

### **SCHEME OF EXAMINATIONS AND ASSESSMENTS**

1. The academic year is divided into two terms and examinations are held at the end of each term.
2. Evaluation of the Scholastic Aspect will be conducted according to the CBSE guidelines which are tabulated below.
3. Attendance for all tests is compulsory.
4. Students found using unfair means during any Periodic Test or Term Examination will be marked zero in that subject. These students will not be eligible for any academic award or school appointment.
5. The final result will be calculated by taking 50% weightage of the Periodic Tests + 100% weightage of Note Book, 33% weightage of Multiple Assessments + 75% weightage of Half Yearly and Final Exam.
6. We hope that with the cooperation and support of the parents, we shall be able to make a success of this system which is a path breaking initiative taken by CBSE for holistic development of the students in a conducive environment.
