

Report on Student and Parent Workshop on LMS

On June 22, 2024, a workshop on Learning Management Software (LMS) was held for parents and students of grades XI and XII . The event aimed at apprising all about Personalised Adaptive Learning program which will help students to prepare for competitive exams like CLAT,CUET,NDA , Engineering and Medical .

The event began with a warm welcome from Executive Director - Wg Cdr Manoj Kumar Yadav and Principal Ms Lomina Rajiv , who emphasized the critical role of ICT in education and the importance of parental involvement in supporting student learning in the digital age.

At the event, Mr. Devendra and Ms Tanima from Embibe were the key speakers. They provided an in-depth explanation of the AI-powered personalized adaptive learning and outcome improvement platform. They spoke at length about the detailed aspects of the software, emphasizing how it caters to personalized learning needs. The session also highlighted the different subjects offered by Embibe .

A demonstration of the student software was done wherein they showcased its core features i.e. Learn, Practice, Test, and Achieve. Additionally, there was a live demonstration of the teaching-learning process facilitated by the AI system. The feedback system provided by the software was also discussed, illustrating how it aids in enhancing the learning experience.

Towards the end of the session, queries were addressed, giving all a comprehensive and insightful orientation of the system.

Overall , it was a very insightful and a interactive session.
