

Dear Parents,
Warm greetings.

Parents are requested to kindly make a note of the following points:-

1. Children need to reach school by 8:00 am, in their respective school buses/vans as per the route and timings.
2. Buses will reach their pick up spots accordingly.
3. Parents are requested to reach school grounds by 9:30 am. They can click selfies and enjoy “**THE FOREST CARNIVAL**” theme based decoration. Program will start sharp at 10:00 am.
4. Children will change their costume in their class rooms and can be received by parents from their respective **GREEN ROOMS** after the program. You can pick them from the room highlighted in the plan given overleaf.
5. No request of **early exit** will be entertained as it affects the program. When we respect systems and rules, we expect our children to follow expected norms.
6. Report card is being sent in the school bag. Kindly return it in good condition on Monday.
7. We should move for receiving our kids from green rooms only when announcements for the same is made.
8. Green room plans details are overleaf.

Looking forward to your cooperation!
 Best Regards
