Date: 16-09-2024

Dear Parents,
Warm greetings

Jungle stories have always inspire us and have taught us life lessons and skills. Our Pre-Primary kids will be enacting a presentation on **21st September, 2024**. They are practicing hard to give their parents a treat for eyes when they present **THE FOREST CARNIVAL** before them. Our teachers have planned interesting game stalls for you and transformed school into forest. In order to make this event a memorable one we request your support by complying to the norms of the program.

On the day of the function i.e. on **21st September, 2024 please note that.**

- a) Students need to come in school uniform only. Please write names on clothes of your ward to avoid mixing up.
- b) Students will reach school at **8:00 am** on **21st September, 2024**. Program will begin at 10:00 am. Program **duration is 1.5** hours and no child will be allowed for **early exit**.
- c) Students will be handed over to **one** parent from the Green rooms.
- d) Don't forget to click selfies at selfie points.

Detailed plan will follow soon.
Looking forward for your support.
