

REPORT

NO BAG DAY, ON 05 OCTOBER 2024

CLASS VII

Maximum learning happens when it is enjoyable and stressfree. To provide practical exposure to different aspects of learnings in daily life, The Air Force School observed a 'No Bag Day' on Saturday, 5 October 2024 for classes VI-VIII. The themes for the day were 'Celebrating Air Force Day' and 'Cyber Security'. Various interesting activities related to these themes that helped in developing important skills were conducted for the students.

To express their gratitude towards the IAF, students wrote slogans. The following activities were conducted for the students:

English: Students discussed their experiences related to social media highlighting its pros and cons.

Hindi : To honour the brave air warriors of the country students participated in musical recitals.

Maths: Through real world scenarios, children applied mathematical concepts of speed, distance and time to analyse how jets and helicopters execute critical missions.

Science: Students creatively expressed their thoughts on how Social Platforms Make Scientific Knowledge reach to masses, but with consequences. Children explored the ingenuity of all the knowledge that is readily available today.

Social Science : A group discussion on the topic 'Alienation from Books Over Knowledge from Social Media' was conducted. Students participated actively and expressed their opinions with great conviction.

Sanskrit: Students recited rhymes highlighting the valour and the success stories of the soldiers of The Indian Air Force.

These activities were thoroughly enjoyed by both students and teachers, alike. The young learners were full of joy and enthusiasm as they learnt different ways of exploring the subjects they study at school. The day proved to be full of exploration, creativity ,expression and joy.
