

REPORT

NO BAG DAY (OCTOBER 05, 2024- SATURDAY)

CLASS: VIII

A No Bag Day was conducted for the students of classes VI to VIII on October 05, 2024. The aim was to bridge the gap between theoretical knowledge and practical application. The students participated in a plethora of activities for various subjects. The focus of this No Bag Day was the Indian Air Force as we celebrate the 92nd Air Force Day on October 08, 2024.

English - Students shared their opinions on the Air Force Day and what it's like to be associated with the Indian Air Force. They also talked about what it's like to be from the Armed Forces and their own ambitions.

Hindi - परोपकारः मानवता का उज्ज्वल चेहरा

The students talked, discussed and shared their opinions on the above mentioned theme. It was quite an interactive session.

Sanskrit - श्लोक गायन गतिविधि

The students sang and revised shlokas in order to improve their pronunciation of words in Sanskrit and their knowledge and understanding of the same.

Maths - The list of fighter jets which are active in Indian Air Force was provided to the students and the same was depicted graphically by them. It was a unique way to celebrate the Air Force Day.

Science - The students were divided into pairs and given a measuring tape to measure each other's height. The teacher showed them a standard height growth chart for boys and girls during adolescence and explained how different people grow at different rates and that some students might experience their growth spurt earlier or later than others.

The students then compared their heights to the average on the growth chart, emphasizing on the fact that it's normal for everyone to grow at their own pace.

They then discussed what affects height growth during adolescence.
