

OPG World School

TRANSPORTATION POLICY

The school provides transportation for the convenience and the safety of students. The school operates its own /hired buses on specific routes, depending on the number of students on the route.

The transportation policies and procedures for parents are given below:

- The list of stops is prepared keeping in view the convenience and safety of all the children. Therefore, buses will not stop according to individual convenience. Though we try our best, it may not always be possible to drop students at their doorstep or to accommodate requests for changes. Once a route has been finalised no changes/diversions will be entertained, and parents are requested to co-operate.
- Parents are required to pick up the child from the designated stop. In case the parent/guardian is not there to receive the child with the I-card, the driver is instructed to bring back the child to the school.
- In case of a change in route or destination, please inform the school transport manager in writing to facilitate efficient planning or mail us at info@opgworldschool.com .Please inform us in advance because drivers are not authorized or permitted to take these decisions.
- Please avoid calling drivers directly as the mobile phones given to them are for emergencies only and they are not permitted to use them while driving.
- Students will be held responsible for any damage caused to the bus by their negligence or vandalism and fine will be incurred.
- If any student is found violating the code of conduct for the bus, the bus facility may be withdrawn. The onus of deciding the gravity of the situation is on the teacher in charge of the bus.
- On receiving a complaint against a student causing in-discipline or being disobedient to the bus staff, his/her bus facility is liable to be withdrawn.
- Parents should drop their children outside the bus and should not board the school bus.
- Parents are requested not to complain to the bus driver/nanny in case of a problem (related to bus or children travelling in the bus) but report the matter to the Transport In Charge/Route in-charge in written or mail us at info@opgworldschool.com
- Please ensure that you understand the transport rules and encourage your child to follow them to enable the smooth running and safety of the transport system.
- To pick up the child at the bus stop, it is mandatory that the I-card is presented to the bus nanny.
- **In case any parent wishes to withdraw from the school transport facility, he/ she is required to inform the school in writing in advance of the withdrawal otherwise one month's transport fee will be charged in lieu of one month's notice.**
