15 October 2024

CBSE

15 October 2024, the students of class XI and XII had the pleasure of interacting with Sh. Umesh Sinha, who has served as the Election Commissioner, and has played a pivotal role in the election process. Sh. Sinha very aptly described elections as the greatest festival of democracy and spoke about in detail about the various measures he undertook to reform elections in India, such as digitization of records and encouraging women voters in rural areas.

He spoke about the need to take election malpractices such as bribery and the appeal to voters in the name of religious and caste and also spoke on the need to rise above parochial factors like caste and to vote cohesively.

It was truly enlightening to hear him speak about this festival of democracy as he aptly and which the famed New York Times described as the “Greatest Show on Earth”
